

**2016** has been a banner year for the WMGA Foundation. Please donate to the Foundation at whatever level is comfortable for you. Our most successful effort to broaden our fundraising continues to be our Dollar-a-Point Pledge during our spring team matches. We would like to expand our reach to all women golfers, WMGA members or not, through our *Swing for Scholarship* initiative. Ask your Met Rep about the other fundraising opportunities to help grow our endowment.

Why are we asking all women golfers to help grow the WMGA Foundation endowment fund? We need more dollars to provide assistance to our ever increasing number of scholarship applicants. This year we were able to award each recipient \$1000 per semester based on your generous support in 2015; however, there were qualified candidates that did not receive scholarships due to the amount of available funds.

In addition, our *Girls to the Tee* free clinic doubled in size this year. *Girls to the Tee Westchester/CT* continued to grow AND with the introduction of *Girls to the Tee New Jersey* at Ridgewood Country Club over 180 junior girls participated in this year's free clinics. It would be our hope to have *Girls to the Tee Long Island* in the future. This valuable program costs money.

We all know that the friendships we make playing golf and the people we meet, make golf the greatest game. Please do your part and help us with a donation.

Most importantly, many thanks to all the individuals, clubs, sister golf organizations who have given generously this year. We know there are many organizations that are worthy of your donations, and we are pleased that you have included the WMGA Foundation in your charitable donations.

Sincerely,  
Beth Post, WMGA Foundation Chair & the Board of Trustees
