

Women's Metropolitan Golf Association Seniors' A & B Championship

Roxiticus Hosts the Seniors' A & B Championships

Two days of beautiful weather were a fitting backdrop for the Seniors' A & B Championships held at Roxiticus Golf Club in Mendham, New Jersey on June 29 and 30. The course required our competitors to consistently hit the fairways and to maneuver around the strategically placed water hazards. Approach shots were always challenged by the bunkers surrounding the greens and once on, the players were faced with "difficult to read" putts. Disregarding all the golf challenges faced during the two days, the beautiful flora and fauna including the dramatic elevation changes of Roxiticus were spectacular. A field favorite was the Par 3 12th hole, which featured a severe downhill tee shot onto a green surrounded by water.

The 49th Seniors' B Championship, an 18-hole competition, led the way on June 29 with a field of 46 players. The contest results were extremely close. There were 12 players within six shots of the trophy, but unfortunately there can be only one champion. Hyun Sook Kang earned the title after shooting a 91, besting Wendy Dominick by just one stroke. Lois Farese was awarded the Low Net honor with a score of 73.

In the afternoon of June 29, 36 Senior A players began the quest to capture the 65th Seniors' A Championship which is based on an aggregate score of two 18-hole rounds. Laura Algiero was seeking her third straight Senior title and it looked quite promising after she finished the first day with a 76 only 2 shots behind the leader, Cheryl Brayman, also a previous winner. With only six scores recorded in the 70's in the first round, Roxiticus was playing tough; however, the players were anxious to get back on the course especially now armed with more "local" knowledge about the course. By shooting a 77 on day two and with an aggregate score of 151, Cheryl was able to hold on to her lead edging out Laura by one stroke to capture her fourth Seniors' A Championship. Kile Keever captured the Low Net trophy with a combined score of 140.

The WMGA would like to thank Roxiticus Golf Club for its wonderful hospitality and assistance in making our event such a success. Congratulations to all the participants for a great couple of days, and we look forward to another flourishing Championship next year!
