

DETAILED TEAM CAPTAIN RESPONSIBILITIES

This comprehensive guide will help you work with your team and Series Captain. Refer to the **Tournament Schedule Book (TSB)** for specific details and ...THANK YOU for volunteering.

PRE-SEASON PREPARATION:

1. Your Series Captain will be reaching out and introducing themselves to you most likely by email. They will be requesting the following:
 - a. **Complete the *Team Match Club Information* form** found on the WMGA website and have it returned to your Series Captain **by April 1st**. Be sure to provide all requested information, including the Course Superintendent's contact number in case of inclement weather, your club's Cell Phone Policy, dress code and any other special concerns. Reconfirm the first starting time with your Golf Pro, check with your Caddie Master regarding availability of caddies/carts and in establishing appropriate fees. Please note any pertinent local rules as well as who the thank you letter should be sent to.
 - b. **Mail the Series Captain a \$75 check** (\$3 per player x 5 players x 5 matches) to cover the gratuities for your team **by April 1st**. Collect \$3.00 from each player for each match to be played. Please note the WMGA contributes \$325, raising the total pool for gratuities to \$775 (\$75 per team x 6 teams = \$450) for all club personnel in the five scheduled matches.
 - c. **Familiarize** yourself with the **USGA Rules of Golf** and the **Tournament Schedule Book (TSB)**. Make certain your team members are familiar with the USGA Rule 2 - Match Play and all of the rules pertaining to Team Matches section VIII Interclub Team Matches in the TSB.
 - d. **Provide** team members with the **Schedule of Matches** and any other pertinent information. Remember that the WMGA website is where you can view and download **Schedule of Matches, Grid Score Sheets** and anything else that is needed.

TEAM MATCH SEASON:

1. **PRIOR TO EACH MATCH** - Review the Interclub Team Match segment in the **TSB**, which includes all the rules regarding team matches.
 - a. **Send** an email to your team members **2 days before the match** confirming tee times, club address, club specific information (i.e. caddie, carts fees etc.) and reminder to be onsite 45 minutes before tee time.
 - b. **Communicate** any last minute situations such as teams playing short or cancellations to your Series Captain. Additional information is in the TSB under Delay or Cancellation of Play. Remember rescheduling is very difficult, so if there is any way to play a match, please do so.
 - i. **Playing Short** - If you cannot field a complete five person team, contact your opponent team captain and Series Captain informing them that your team will be playing short with either three or four players.
 - (a) **Notification of Playing Short – Rule #14b:** “As a courtesy, in the event that a team (A) knows prior to the day of the match that they will be unable to appear with five players who fully intend to complete the round, they may concede the missing player(s) match(s) by 8 pm the evening prior by contacting the team captain of the opposing team (B) with a telephone call and a follow-up email copying both the Series Captain and District Captain”.
 - (b) **Penalty for Playing Short – Rule #16:** “A team able to field only one or two players for a match will be disqualified from competing during the remainder of the current season and will be placed at the bottom of its series. The team will forfeit all previously won points and each opposing team in the series will receive fifteen points.”

- ii. **Weather Concerns** -- Check the weather forecast and **anticipate** problems. If there is concern, make sure you and hosting Team Captain have the Course Superintendent's contact number to find out if the course will be playable that morning. It is the hosting Team Captain's responsibility to inform you of the match status so communication can be made with the other teams before they leave home. **The goal is to play whenever possible.** Therefore, communicate to the Superintendent that our schedule is a short 2.5 week period and the best option would be to play. If the course is playable and enough caddies/carts are available, the match should be played. If your course is unplayable on the morning of the match, call your Series Captain immediately and assist in the re-scheduling. However, if your course is playable and caddies are available (but no carts allowed), the matches are to be played. If a player is unable to walk, she will forfeit her 3 points to her opponent, but all other players do not have to move up (stay in the position you were meant to play in for that day).
- iii. **Cancelled Match Procedure** -- The hosting Team Captain should call the Series Captain as early as possible so the teams can be notified. The Series Captain then informs the other captains about the cancellation and reminds the hosting Team Captain to leave word with the pro shop that the WMGA Team Matches have been cancelled. In conjunction with the hosting Team Captain, make arrangements for the match to be played on another day – preferably before the next scheduled round.

1. DAY OF EACH MATCH –

- a. **Arrive 45 minutes prior** to the first tee time to check on details. Remember to bring the **Final Team Entry Forms (FTEF) also known as the blue book, Tournament Schedule Book (TSB), and the USGA Rules of Golf** along with the appropriate scoring sheets to the match.
- b. **Post team lineup** - carefully list your team in the exact order they are listed on the **Final Team Entry Form** which will be posted. Ensure the players are in the correct order prior to teeing off. You have the opportunity to correct the order before your team tees off to avoid forfeiting points. The penalty for playing out of order is severe! Also each player should list their club account number on the **Club Account Number Form**. Remember that the information of this form is sensitive, please pass this form around rather than posting it on a board.
- c. **Caddies and Carts** - No one player can bring a caddie or forecaddie unless specifically asked by a host club to do so. The Caddie Master will assign that caddie. A player may use a golf cart; however, if caddies are available, a caddie must also be taken. The player shall be responsible for both cart and caddie expenses. Many clubs waive cost of the cart if player pays full caddie fee. If a player cannot walk or chooses not to walk when caddies are available, she concedes her match and forfeits her points. If that player wants a cart and no cart is available then the match can be rescheduled.
- d. **Score Sheets** - At the conclusion of the match, indicate on the **Team Match Results Sheet** the total points for your team, as well as the total back 9 points, and sign at the bottom. There are 3 points for each match, and 15 points at stake for the two competing teams. Check for the correct total score as well as the back nine total score. The back nine score is 1 point for each match and 5 total team points. Please ask your players to note on the results sheet the actual time their match concludes. Keep a record of the ongoing totals for your Series with the **Grid Score Sheet** provided by your Series Captain.
- e. **Post Scores** – all scores from WMGA tournaments including Team Matches must be posted into GHIN. Handicaps must be computed in accordance with the current USGA Handicap System. Refer to the **Posting Your Scores** section under **Team Matches** on the WMGA website.

- f. **Pictures** – send any team or action shots from the WMGA Team Matches to the WMGA for posting. Please include the team name, name of players left to right, course played and date.
