## Cheryl Brayman Wins 2010 Player of the Year Award

Cheryl Brayman  
Player of the Year

Congratulations go to Cheryl Brayman of North Shore Country Club for winning the Player of the Year Award. Cheryl also won this top honor in 2005. As Cheryl explained at the Annual Meeting, "The first time was fabulous, but to win this a second time at the age of 59 (and a proud grandmother of Mack) is just surreal!"

Cheryl is a multi-talented athlete excelling at tennis and softball in her youth, a tri-varsity athlete at Adelphi University in field hockey, basketball and tennis; and now golfer and downhill skier extraordinaire. Her natural ability combined with her determination, focus and desire make Cheryl a winner in every sport.

Highlights of Cheryl's accomplishments in golf this year include: 2nd place in the Met Am, Runner-Up in the WMGA Match Play, low Amateur in the 9th Met Open, 2nd in the WLIGA Stroke Play, Winner of the WCCGA 2 day Stroke Play, Winner of the Better Ball "A" with Alicia Kapheim, and 5th place in the Women's Eastern Golf Association Senior Championship.

Cheryl is especially appreciative of the WMGA for providing so many wonderful golf venues, tournaments, team matches and long-lasting friendships. Thank you, Cheryl, for being a great champion!

## The WMGA Honors Inwood Country Club

Inwood Country Club in Inwood, New York, received the 2010 Judy Bell Award at the Annual Meeting in recognition of its long time generosity to the WMGA. Inwood has hosted the John B. Mackie Memorial Tournament for an incredible 69 years. It is one of the oldest courses on Long Island, founded in 1901, and holds an important place in the history of golf.

Every autumn our members are able to play the course where Bobby Jones captured his first major at the US Open in 1923. It was there on the 18th hole that Bobby drove into the right rough in a play-off and drilled a 2-iron from 195 yards out to within 8 feet of the pin to earn him the trophy. Jones always claimed that it was one of the finest shots in his illustrious career. Walter Hagen won the PGA Championship at Inwood in 1921. More recently, Inwood was the site of the 2005 Metropolitan Golf Association Championship.

We are forever grateful to Inwood for helping our organization to be the best of the best in women's amateur golf and look forward to many more years of playing this beauty along Jamaica Bay.

## Eliza Breed Wins the Lann Trophy

Eliza Breed

Eliza Breed from Round Hill Club, one of our elite juniors, won the Joseph. J. Lann Trophy this year with her championship round of 72, 2 under par, in the Maureen Orcutt Trophy Tournament at White Beeches Golf & Country Club on July 30th. The Lann Trophy is awarded to the member who returns the season's lowest 18-hole gross score for a WMGA stroke play round. Eliza and her mother, Ellen, are also the reigning WMGA Mother-Daughter Champions.

Congratulations, Eliza, and best wishes for a bright future in collegiate golf!

## Peggy Ference Delights Audience at Annual Meeting

Corey Pavin and Peggy Ference

Peggy Ference, the 2010 winner of the *Golf Digest* US Open Challenge and a member of Cherry Valley, wowed the audience at our Annual Meeting with her tale of playing Pebble Beach from the tips in a star-studded foursome. Peggy, assisted by Laurie White's production skills, gave us an insider's view of the *Golf Digest* US Open Challenge. We all were deeply moved by Peggy's insights to the game we love.

With Corey Pavin as her caddie, Peggy played in a foursome with Wayne Gretsky, Drew Brees and Marky Mark. The mission was to break 100. The conditions were brutal: impossible rough, 30 mph winds, and the course playing longer than the 7000 yards! Bob Rotella had given Peggy some excellent advice before the round which she took to heart, "Whatever you do have fun...just take it in...look around...something like this will never happen again." That's just what Peggy did and she had the experience of a lifetime!

Peggy expressed her gratitude to our membership for their unwavering support in voting for her. Thank you, Peggy, for making your experience come alive for us. We were all on the edge of our seats rooting you on...you were living our dream!

Enjoying a breakfast buffet

The new and improved Annual Meeting received rave reviews. The airy ballroom at the Yale Club filled with WMGA members and guests, a delicious breakfast buffet with new friends, a quick rules quiz staged by Genger Fahleson, awards for our Champions as well as door prizes all contributed to a highly successful and happy gathering.

## 63rd Father-Daughter Championship

Raritan Valley Country Club, August 4th

The Father-Daughter Championship is one of the jewels in the WMGA crown. The tournament site, Raritan Valley Country Club, proved to be an ideal setting for this historic tournament. The Club was founded in 1911 by Joseph S. Frelinghuysen, an esteemed Senator from New Jersey and the grandfather of the WMGA's own Barbara Israel. He built this golf course on his estate so he and his friends could play. U.S. President Warren G. Harding teed it up with Barbara's grandfather as did many other prominent politicians on this stately course.

On a match of cards, Joseph Guarascio and his daughter, Sarah, who plays on the Brown University Golf team, edged out the team of Bob Hyman and his daughter, Emily, a member of the Dartmouth College Golf team. Both teams were 1 over par in the Pinehurst format at the end of the day shooting a 73. Their rounds were identical in their consistency: 16 pars, 1 birdie and 2 bogeys. Adding to this special day was the entry of Emily's grandfather, Bill Ettelson, who played with her mother, Amy Hyman, thus making it a three-generation event.

Father-Daughter Champions Joe & Sarah Guarascio

Father-Daughter Net winners Ed & Rachel Walsh

Ed and Rachel Walsh, members of Trump National at Bedminster, also played a terrific round shooting a 74-61. Their 2 net eagles and 9 net birdies placed the net prize firmly within their grasp. Charles Merritt, Rockaway River, and his daughter, Laura Perrin, shot a 65 to take the 2nd prize. Michael Sullivan and Michelle Mandia from Navesink were one stroke back with a 66 to earn the 3rd net honors.

Thank you, Raritan Valley, for hosting such an outstanding tournament for our very talented father-daughter teams.

## 71st Mother-Son Championship

Mount Kisco Country Club, August 19th

It was a magnificent late summer day for this grand championship and 46 WMGA moms took to the tee with their sons to play at Mount Kisco Country Club. Great golf was played and new friendships made. Barbara Jones and her son, Cameron Young, from Sleepy Hollow mastered the Pinehurst format and shot a sensational round of 68, 5 under par, to raise the trophy. Barbara and Cameron have played in this tournament a number of times before, starting when Cameron was 8. Now that Cameron is 13 with a + 1 handicap they put on a display of golf technique and skills for all to admire.

Asked about their magic recipe Barbara explained, "This year Cameron wanted to practice the format the day prior to the tournament. During this round he noticed I was not aligning the stripe on my ball correctly when putting; so I said, 'You do it then!' He started lining up my ball for me and I started making putts.... many putts. Needless to say, this worked beautifully during the tournament even though I didn't make all of my putts, I made many more than usual." Well done, Barbara and Cameron!

Jean and Johnny Schob from Winged Foot, placed 2nd in the gross category shooting a 72, a round of 1 under par. Pam and Kevin Dolph, Nissequogue, earned 3rd gross honors with a round of 74, just 1 over par.

Christopher and Marie Gibbons  
Mother-Son Net Winners

Marie Gibbons, Indian Hills, and her son, Christopher, shot a 65 with 3 net eagles and 5 net birdies to win the net prize. Cindy and Brett Levine, Glen Oaks, had a net double eagle on the 5th hole to accent their round of 66, and earned 2nd net honors. Suzanne Schatz, Oronoque, and Robert Schatz took home the 3rd net prize with a round of 67.

Mount Kisco Country Club provided a superb stage for this special tournament. The WMGA would like to thank the staff and the members for making our extended family feel so welcome.

# 85th Junior Girls' Open Championship and 9-Hole Event

Lake Success Golf Club, August 12th

Twenty-one juniors competed on an overcast day at Lake Success Golf Club for the Open Championship Trophy. This narrow and hilly course showcased tree-lined fairways and undulating, well-bunkered greens making it a tough challenge for any age!

Nicole Morales, Centennial, shot a jaw-dropping 70, 3 under par, and that included a two stroke penalty for playing from the wrong tee box. Nicole eagled the first hole and shot 4 birdies on the back 9 to win the Championship. Elizabeth Abbondandolo, Brookville, Michelle Rosenhouse, Engineers, and Eliza Breed, Round Hill, all shot 75, just 2 over par, to share 2nd gross honors.

Rohini Rudra, Oyster Bay, won the low net category by shooting a 68, a round highlighted by 2 net eagles and 4 net birdies. Faith Garcia earned the 2nd net prize with a score of 70.

In the 9-hole Event there was a three-way tie for low gross. Cassandra Hall, St. George's, won in a match of cards over Laura Burke, Bedens Brook, and Alexa Durso, North Hills.

Thank you to Lake Success Golf Club for their hospitality and strong support of junior golf.

## 21st Sis Choate Pinehurst Tournament

Waccabuc Country Club, August 17th

A highly competitive field of 35 teams played at the Waccabuc Country Club in Waccabuc, New York on a spectacular summer day. Waccabuc was originally a private home and later a country inn and resort before establishing its club status in 1927. The course has maintained an old world charm amongst its specimen willows, oaks, maples and dogwoods and wooded ponds.

Laura Algiero and Barbara Paonessa from Westchester Hills claimed the Sis Choate Pinehurst Trophy at the end of day on a match of cards. They posted a 71, 2 under par, in this demanding format. Emily and Amy Hyman, Sunningdale, and Denise Martorana and Cheryl Brayman, North Shore, shared 2nd gross honors with a score of 77.

Hae-Shin Lee, Alpine, and Jane Linn, Hamilton Farm, teamed

up to take the net prize (71-64). Amy Blount, Winged Foot, and Suzanne Schatz, Oronoque, earned 2nd net with a score of 67. Laurie Adamo-Ricigliano and Patricia Memoli from Wykagyl claimed 3rd net with a 68. There were four teams who shot a net 70 to share a piece of the 4th net pie: Deirdre O'Donnell, Westchester, and Anne Trippett, Whipoorwill; Pam Dolph, Nissequogue, and Carol Navarro, Plandome; Poppy Holmes and Janet Karabin from Silvermine; and Fran Morris, Aspetuck Valley, and Nancy Muhlstock, Edgewood, all went home with lovely gift certificates.

Thank you to Waccabuc Country Club for hosting such a fine competition for our members. Delightful hospitality and delicious food made the day of golf a very special one!

# 80th Husband-Wife "A" Championship

Trump National Golf Club, August 25

A full field of 48 teams arrived at Trump National Golf Club in Bedminster, New Jersey eager to test their skills on the Tom Fazio designed course. Once an old farm and the former DeLorean estate, Fazio designed a championship lay-out which takes advantage of the natural landscape, carving out 18 holes across the open fields of the old farm and the numerous surrounding lakes and magnificent tree groves.

Joseph and Susan Skowronski, Upper Montclair, played consistent golf throughout their round shooting a 3 over par, 75, to win the Championship. Jane and Adam Kugler, Alpine, took 2nd gross with a score of 76, just one off the mark. Jane and Adam also finished just one back last year so they are poised to earn the trophy next year!

Joe and Susan Skowronski  
Husband-Wife "A" Champions

Don and Mia Keum, Minisceongo, shot a 78 to earn 3rd gross, and Becky and Mark Montgelas, Wee Burn, won 4th gross with a round of 79.

The net category was extremely competitive and there was a three-way tie at the top with a net score of 64. Don and Chi Daniels,

Echo Lake, won the net prize on a match of cards. August and Ruth Casella, Brookville, and Audrey and Steven Schwabe, Pelham, tied for 2nd place. Barbara and Steve Colin, Maplewood, took home the 4th net prize with a score of 67.

Many thanks go to Trump National for producing such a sensational tournament. The venue, the food and the hospitality made it a day to remember.

## Scholarship Event at Deepdale Golf Club

Deepdale Golf Club, August 30th

Low Gross Winners: Peter Guerci, Nancy Miale, Michael Karger and Dan Rifkin

Building on the success of the past three competitions at Trump National in Bedminster, NJ, Hamilton Farm in Gladstone, NJ and Century CC in Purchase, NY, it seemed improbable that the WMGA Scholarship Foundation golf event could exceed expectations. But it did! The Committee was honored to hold this year's event at the prestigious Deepdale Golf Club in Manhasset, NY.

Thanks to the support of our members, their friends and guests, the Foundation garnered more than \$30,000 it will use for scholarships for deserving young women from the Metropolitan area. Highlighting the day was having two of our scholarship recipients, Amanda Bailey (NYU graduate, presently attending Hofstra) and Athena Aicher (a senior at Dartmouth), with us; they witnessed every shot on Hole #13 where there was a 2011 Lincoln MKS as the prize for a hole-in-one. There were several close shots but sadly no ace on this day.

Wanting to do something special for her brother's 50th birthday, Nancy Maiale (NJ National) signed up as a twosome and was paired with Dan Rifkin and Michael Karger. They went on to tie for low gross with a score of 64 and won on a match of cards. The low net prize was awarded to Terese Vana, Lauren Irwin, Robert Bugbee and Reidar Brekke for their score of 58. Everyone went home a winner on this glorious day at a very special golf course.

Joan Mannion, 2nd low net winner, exclaimed, "The tournament at Deepdale was so wonderfully run; great food, good pace of play... and winning something never hurts. I love that the Scholarship Foundation outing is always at a very special venue. It makes you want to attend and to play better."

Title sponsor Lincoln provided not only a two year lease on an MKS, \$500 gift cards at Best Buy and the Golf Pro Shop, but also underwrote all the prizes for the day. Lincoln has become one of WMGA's most loyal and generous sponsors. Marty Borenstein of the

Tri-State Lincoln Dealer's Association Board made it known that Lincoln is "more than happy to sponsor such a deserving event."

Thank you to Lincoln and to Deepdale and its General Manager, Scott Heaney, for their efforts in making this tournament a resounding success.

# 50th Better Ball “A” Championship

Fresh Meadow Country Club, October 5 & 6

The Better Ball “A” Championship was splendidly staged at Fresh Meadow Country Club in Great Neck, New York. The competition was fierce between the 33 teams. Cheryl Brayman, North Shore, and Alicia Kapheim, Hopewell Valley, played two brilliant rounds of golf to win the tournament with a combined score of 144 (74-70).

Alicia Kapheim shared her thoughts with *Tee Talk* after her victory, “I’m always amazed at how beautiful golf courses are so hidden from the surrounding suburban hubbub in the Northeast. Fresh Meadow is a great example...all around are busy streets and highways, yet once on the course, it seems like we could be anywhere, quiet and far from anything. It didn’t look like there was any drought at Fresh Meadow, the entire course was a brilliant green and the rough was certainly thick and long. Hitting the fairways was a necessity.”

“The first day was a bit rainy and chilly, making the course a little longer than the yardage indicated. Cheryl and I sunk a few par saving putts and played good partner golf. We were lucky with the weather on the second day, Fresh Meadow found itself in a bubble of sun. Reports from home (Pennington, NJ) were all about rain, but we had a really beautiful day for golf. Both of us played even better, again pinging and ponging around the course. The course was still playing long but short game prowess kept us around par.” Congratulations, Alicia and Cheryl, on a great performance!

Erica Schindel, Scarsdale, and Sharon Hoffman, Seawane, won 2nd gross

with a combined score of par 148 (75-73). Laura Algiero, Westchester Hills, and Yvonne Thiel, Whippoorwill, claimed 3rd gross with a 149 (77-72).

Two teams finished with a combined net score of 140; but Kee Baek and Kyung Sul from Lake Success won the net trophy on a match of cards.

Mary Eichhorn, Spring Lake, and Kile Keever, Woodway, were awarded 2nd net for their efforts. Donna DeMarco and Mitsuko Shibahara from Lake Isle tied with Agatha Park, Village Club, and Clara Lee, Lake Success, to take 3rd net with a combined net score of 141.

Fresh Meadow was an outstanding venue for this great tournament. The WMGA extends its heartfelt thanks to Sarah Cohn, our Vice-President of Public Relations and Outreach Services, and her club for providing such a memorable experience to our golfers.

# The 69th John B. Mackie Memorial Tournament

Inwood Country Club, October 7th

Once again Inwood provided a terrific challenge to our golfers in this alternate shot tournament in early October. This year our players braved 30 mph howling winds off Jamaica Bay and bundled up to play some very impressive golf in this stormy weather.

The seasoned duo of Laura Algiero and Barbara Paonessa from Westchester Hills, fresh from their Sis Choate victory, added the Mackie Trophy to their cabinet by shooting an 80 out on the course. They managed 2 birdies on the 8th and 15th holes, which made all the difference. After the victory, Laura noted that the hardest part of the round was not the alternate shot format, but the club selection because of the sustained winds. Gail Flanagan, Westchester, and LeeAnn Lewis, Southward Ho, shot an 85 to take the 2nd gross honors.

Sandy Jackson, Whippoorwill, and Kile Keever, Woodway, shot an 82-77 to win the Inwood Trophy for low net. A tie for 2nd low net at 79 was shared by Jadie Shing Detolla and Carol Goldman from Port Jefferson and Sandra Leary, North Fork, and Barbara Rederscheid, Laurel Links.

Mackie Champions and Net Winners:  
Sandy Jackson, Laura Algiero, Barbara Paonessa, and Kile Keever

Many thanks to Inwood, our 2010 Judy Bell Award winner, for their overwhelming support of our organization and, in particular, for staging this fine tournament annually. It is always a special treat to play at Inwood.

# 10th Stroke Play “B” Championship

North Hills Country Club, October 12

The Robert Trent Jones Sr. designed course at North Hills Country Club in Manhasset, NY provided plenty of challenge with its combination of dogleg holes and blind shots to our B players on this fall day. The gently contoured greens, sparkling ponds and sweeping fairways provided a perfect tonic for our eager golfers who knew that the end of the competitive season was near.

Peggy Richling, Huntington, and former WMGA Team Match Chair, took home the Shore Championship Trophy by shooting a superb round of 90. There was a four way tie for the 2nd gross prize: Cindy Liu, Nassau, Adrienne Belluscio, Rye, Nancy Stone, Southampton, and Jadie Shing Detolla, Port Jefferson, shared the honors with rounds of 96.

The ladies from Port Jefferson secured the top two net prizes. Lorraine Chamblin shot a 94-75 to earn 1st place and Gloria Taylor won 2nd net with a score of 76. A three-way tie for 3rd net was shared among JoAnn Bouza, Brookville, Andrea Feinberg, Nassau, and home-course favorite, Lucy Di Re, North Hills.

Peggy Richling, our winner, was thrilled to see the large turnout for this event and to play with so many of the ladies who participate in the Myra D. Paterson tournament. Peggy summed up the experience, “We B’s can really get a rivalry going! And the B’s love their golf as much as the next gal!” So true, Peggy!

Champion Peggy Richling & Net Winner Lorraine Chamblin

The staff at North Hills went out of its way to make it a very enjoyable experience for our players and the WMGA is so appreciative of the club’s generosity.

## Met Rep and Met Rep & Guest Tournaments

Hackensack Golf Club, October 19th

The Hackensack Golf Club opened its doors to our Met Reps and their guests for an exceptional day of golf. The weather did not look promising at the start, but cooperated as the day progressed, giving all our volunteers a delightful day of competition on a challenging and fair Charles Banks course.

In the Met Rep and Guest Tournament Sherry Sloane and Sam Gershwin from Crestmont paired with Kay Hyun and Scott Mac Ewan from Osiris to take the low gross prize with a score of 73. In the net division there was a tie at the top between the foursomes of Patricia Savage, Bill Alcaro, (Beacon Hill), Amy Hyman and Calvin Roberts (Sunningdale) and Amy Cohen, Larry Freundlich (Mountain Ridge), Margy Hogan and Philip Mengel (Tuxedo). Both teams carded a net 64.

In the Met Rep Tournament Leanne Leonard (Basking Ridge), Lynn

Griesinger (Copper Hill), Beth Post (Quaker Ridge), and Terry Cloonan (Rockville Links) took home the low gross prize with a score of 75. Nancy Cole (Alpine), Pam Dolph (Nissequogue), Gloria Taylor (Port Jefferson) and Sharon Hoffman (Seawane) won the net category with a 62. Nancy Mulstock (Edgewood), Stella Oliver (Knollwood), Lorraine Chamblin (Port Jefferson) and Celine Shea (Ridgewood - NJ) were just two strokes back and won a nice gift certificate for 2nd net.

The WMGA would like to extend its gratitude to Hackensack for sharing their wonderful club with our members. The golf and food were sensational! The WMGA is very grateful for all that our Mets Reps do for the organization and is pleased that everyone had such a good time at the season finale.

# The 2nd “Girls to the Tee” Clinic Sizzles

The WMGA sponsored two clinics this summer for junior girls ages 8-18. The pros at Westchester Country Club, Gary Weir and Monique Thoresz, once again staged a wonderful afternoon of instruction and enjoyment for the 80 participants. Talent ranged from beginner to advanced and they all learned valuable lessons as to how to hit the ball in a variety of ways. Ten Met area PGA pros donated their time and skill.

The second clinic took place at North Jersey Country Club and was once again led by Gary and Monique along with pros from the New Jersey PGA. It was also a great success. We are so thankful to these pros and the clubs for volunteering their time and expertise; and helping us to grow the game as well as encourage young women to pursue this wonderful sport.

The Clinics took place on two of the hottest days of the summer. Fortunately the girls were fortified by a variety of Adina Holistic beverages, provided by John Bello, CEO of Adina and husband of WMGA member, Nancy Bello. Adina has been a generous and loyal sponsor of this event and the clinics would not be a success without the Bello family.

The girls were thrilled with the golf clinic. Claudette Ramos from the East Harlem School in New York City summed up the experience in her thank-you note, “I had a great time. I never knew there was so much to golf. I made new friends, the drinks were awesome and

I have been to one of the best country clubs in America!”

Next year we hope to have a clinic in the Long Island district as well and hope you all will support our efforts to reach out to these enthusiastic, engaging and eager juniors! We are particularly grateful to the Hal and Ruth Lauenders Trust for underwriting the Girls to the Tee program this year.
