The President's Message

Amy Hyman

Many of us have felt the wrath of Hurricane Sandy, the 20+ inches of snow from the Nemo Blizzard, and the debilitating effects of a wicked flu season. Cheer up. There is reason to be upbeat; the best of 2013 begins in April when a fabulous Women's Met golf season will unfold!

I am very enthusiastic about the 2013 Women's Met Board, these women are awesome! I welcome our new Board members: Phyllis Gusick - Mount Kisco CC (WCT), VP/Competitions; Alicia Kapheim - Hopewell Valley CC (NJ), Sites Chair; Laura Algiero - Whippoorwill (WCT), Team Competitions; Patty Savage - Beacon Hill CC (NJ), NJ District Captain/Team Matches; Heidi Komoriya - Trump National (WCT), has returned to the Women's Met Board as Course Rating Chair; and Donna Winston - The Creek (LI), who was recently elected Foundation President. These women join our top notch returning Board members and an outstanding office staff: Nancy Early, Executive Director; Kaitlin Sabbagh, Manager of Tournament Operations; Kelsey Conway, our current P.J. Boatwright Jr. intern, who will be staying on as our Communication and Marketing associate and Sarah Relyea who is our new Boatwright intern. We are appreciative the USGA has continued its generous support of the Women's Met by approving our 2013 grant request. We value our relationship with the USGA and we continue to support USGA events with volunteers and publicity so please consider volunteering for the US Women's Open Championship on June 27 – 30 at Sebonack CC in Southampton, NY.

The Board is busy brainstorming fresh ideas for the new season. One area dear to our hearts is the WMGA Scholarship Foundation which has been renamed the WMGA Foundation because of its expanded mission. A big thanks to Gale Brudner, past president, and her Board for their dedication in raising money to grant college scholarships to deserving women. The Foundation Golf Classic, their largest fund raiser, is scheduled for Monday, August 20 at the highly revered Somerset Hills CC in NJ. The Women's Met will now oversee the day to day operations of the Foundation and there will be more coordination of efforts to support the future of women's golf, our Juniors! We ask that you support this important initiative. Donna Winston, previously Initiatives Chair, has agreed to step up and become our new Foundation President and Val DePiro will serve as its new Treasurer.

I'd like to take a moment to thank Beth Post for her leadership and capable execution of her responsibilities as past president. I value her mentoring and friendship as I transition to my current position.

The game of golf and the Women's Met has been a real life changer personally & professionally for me. I have been incredibly fortunate to play many of the superb Met area golf courses. The opportunity has been a gift I treasure. I have had the pleasure of meeting, playing, and forging friendships while working with talented golfers. It is the goal of the Board to extend these same opportunities to you. These benefits flow directly from your participation. It is definitely not mandatory for our members to participate in team matches in order to play in our tournaments. Team matches are simply a kick off to the season and an excellent way to build team and Met area camaraderie. Our objective is to make the entire Women's Met golf schedule available to suit varying appetites for competition or just for fun. You're not done experiencing all the Women's Met has to offer just by playing on your team. There are plenty of exciting, beautiful courses and venues throughout our Met region that graciously make themselves available each season and this experience should not be missed. Play and get involved! I look forward to a great 2013 golf season and meeting you on and off the course. Keep it in the short grass and go low!

Phyllis Gusick

Phyllis Gusick
VP Competitions

Phyllis joins the board as a member of Mt. Kisco Country Club in Westchester, NY. Her association with golf started over 25 years ago after meeting her husband Robert and his family, who are all avid golfers. As a member of Scarsdale Golf Club for over 23 years, Phyllis held many positions including Women's Golf Chair, Met Rep and Team Captain. She is also a past Women's Club Champion. She has served on the board of the Tri-County Golf Association and is a member of the Westchester-Fairfield Golf Association.

Phyllis currently resides in Chappaqua, NY with her husband and three wonderful children, a daughter and son who are in college and a son who is sophomore in high school. She is a graduate of Cornell University's College of Engineering and holds an MBA in Finance from New York University. Before leaving to raise her family, Phyllis worked at American Express in the Card Division, and currently she is a Real Estate Salesperson with Douglas Elliman in Chappaqua. She was also the senior advisor to the Securities Division Women's Network. Her passion for recognizing, recruiting, motivating and developing human capital have been the hallmarks of her leadership style and success. Her involvement with the Women's Network within the Securities Division has been credited for the success of the division to hire, retain and promote many women to senior positions. Donna earned a BA in Art History from St. Lawrence University and serves on the Board of Trustees of St. Lawrence University as well as The Group for the East End. She has also served as a board member of The Nature Conservancy's Mashomack Preserve on Shelter Island.

Growing up in a family of golfers, Donna started playing golf at age 26 and is the current Club Champion at The Creek where she is also their Team Captain for spring matches. Aside from golf, she is an avid skier, tennis & paddle tennis player.

Alicia Kapheim

Alicia Kapheim
Site & Club Relations

Alicia grew up in the suburbs north of Chicago and moved to New Jersey after graduating from the University of Illinois with both a BS in Architectural Studies and Master of Architecture degree.

Alicia's early introduction to golf was not playing, but walking along with her father as he played. As a young girl, she was allowed to sit on the pull cart wheel when he stopped to hit shots. In fact, Alicia was not interested in golf at all until she was a sophomore in high school where she also played basketball and softball. She continued to golf on the U of I women's team.

A licensed architect, she worked in NYC for 13 years in architectural lighting design, leading several exciting projects including the American Museum of Natural History, Rose Center for Earth and Space, NCAA Headquarters, Miho Museum Kyoto Japan, Singapore Convention Center, New Jersey Performing Arts Center and several other projects worldwide. Alicia spent 11 years with Philips Lighting and Lighting Science Group working in marketing project management.

Since 2010, Alicia has formed two companies, AbundantIllimination (architectural lighting design services) and Barking Lab Studio (dog photography).

Alicia has been a member at Hopewell Valley Golf Course for 20 years, serving on the Board of Directors as Green Committee chair as well as sitting on the Green Committee for 15 years. Alicia has also served on the Board of the GSWGA and the NJSWGA (now NJSGA Women's Committee). Her husband, Bob is also an avid golfer, but counts his favorite golf memories as those on Alicia's bag at USGA championships.

Alicia can be found most mornings at the local CrossFit 'box'; she also enjoys running, snowboarding and cycling.

Heidi Komoriya

Heidi Komoriya
Course Rating

Heidi returns to the board to assume her prior position as the Course Rating Chair. She served on the board from 2001 to 2004. She has been heavily involved in course rating since 1996 including serving as course rating district chair. She is also involved with several charitable organizations including serving as Executive Vice President of Play for PINK, a charity to benefit breast cancer research, Master Gardener of Westchester County and is an accomplished landscape designer. Heidi is a member of Trump National Westchester. She is excited to get more members involved in course rating!

Laura Algiero

Laura Algiero

Laura began playing golf when she was 11 years old at Bonnie Briar Country Club in Larchmont, NY. She won 19 club championships at Bonnie Briar before leaving to join Westchester Hills Golf Club, where she met her husband, Mike. Laura and Mike are now members of Whippoorwill Golf Club in Armonk, NY.

Laura's love of the game came from her father, who was a great golfer in his own right. Her mother and brother were taught by Laura's father at the same time, and they all won the club championship at Bonnie Briar during their years there. Laura has been a member of the WMGA for more than 35 years and has won the WMGA Stroke Play Championship three times and the WMGA/MGA Met Amateur twice as well as winning the Better Ball, Mackie, Sis Choate and numerous one day events over the years. She has also played on numerous Griscom Cup teams as well as being the Westchester/Connecticut Golf Illustrated Team Captain in 2011 and 2012. Laura is very active in the Women's Tri-County Golf Association, serving as President in 2009-2010. She has won twelve Tri-County stroke play championships and nine match play championships. In 2012, Laura made it to the round of 16 at the USGA Senior Women's Amateur held in Hershey, PA. After a 32 year career at PepsiCo, Laura is taking time off to enjoy some of her hobbies such as jewelry making, sewing and reading as well as playing as much golf as possible!

In addition to being involved in the Women's Met, Mary Anne is also a member of Women's Westchester and Fairfield County Golf Association (serving as both Tournament Chair and President), Women's Tri County Golf Association and US Senior Women's Golf Association. She is a three time past Chair of Women's Golf at Winged Foot and has served on that Board in many positions.

Mary Anne comes from a golf family, where she quickly learned if you didn't play golf you were missing the best of family vacations. She and her husband, Bill, live in Harrison and have two grown children, Brad and Meghan.

Outside of golf, she has been an active volunteer in her children's schools and the community including POTS, a soup kitchen in the Bronx. On rainy days, there is always a bridge game to be played. She also loves to travel.

VP of Competitions Message

We are fortunate to have an exciting Women's Met golf season ahead, and I encourage all of you to take part in our extensive offering of tournaments. So check out the schedule on the website (www.wmga.com) and begin marking your calendars. Tournament registration opens April 1.

Our Team Matches kick off on April 23rd with the Interdistrict playoffs taking place at Baltusrol Golf Club, site of multiple U.S. Opens and Women's U.S. Opens. What a wonderful course for the winners of Series 1 to compete for the overall title. Many thanks to our Interclub Chair Leanne Leonard and our District Chairs Carol Goldman, Patty Savage and Mary Nelson for all their hard work.

This year our tournament schedule is filled with wonderful venues not to be missed. The Griscom Cup travels to Essex CC in Massachusetts in late May and thank you to Team Competitions Chair Laura Algiero for assembling a talented team to represent us. This is followed by the Met Amatuer Championship at The Creek on June 4 and our 'B' Stroke Play Championship on June 6 at Mill River, which will also be combined with a One Day Stroke Play A & B. We continue the great season with the Match Play Championship on June 25-28 at Quaker Ridge, and the Stroke Play Championship on July 23 and 24 at Montclair. The prestigious Maidstone Club in East Hampton is the place to be for an early fall get away with a few friends coupled with our Better Ball 'A' Championship on October 2 and 3. All our Class B players should be in great form by October for our Better Ball 'B' Championship at Essex County in New Jersey. Wow, thank you Alicia Kapheim, our Sites and Club Relations Chair, for securing so many wonderful clubs.

This year we are combining the Mother-Daughter and the Father-Daughter Championships and they will both be held on July 16 at Rockville Links on Long Island. This should be an exciting day of family golf! We have our Mother-Son Championship at Salem on July 18 and the Husband-Wife 'A' and 'B' Championships both slated for August. We wrap up our family tournament season with the Sister-Brother, Sister-Sister at Bellport in October. There are lots of prizes and certificates to be won thanks to our Prize Chair Becky Halleron, so hope to see you out on the course.

This year seven of our tournaments are open to women and/or girls in the Met area so tell your friends and family to check us out too!

Junior Girls' Message

With the promise of spring around the corner, it gives me great pleasure to welcome back our juniors for another summer season of golf! Our Junior Girls' membership has grown steadily during the past few years and they have represented our Women's Met well with success and excellent sportsmanship on our member links.

Here is a glimpse of the highlights surrounding last year's junior events:

- The Junior Intercity Team of six girls captured the Enos Cup for the second consecutive year at Old Westbury CC and is poised to retain the honor again in June at Saucon Valley CC in Bethlehem, PA.
- A select group of Junior Girls participated in the French-American Challenge at Sebonack Golf Club in October.
- Cindy Ha became our Junior Champion at Pelham CC as well as our Maureen Orcutt Tournament Trophy winner at White Beeches for the second year in a row! Quite a champion effort!
- Girls who were picking up the club for the first time enjoyed the camaraderie and spirit of fun learning the game with friends at our Girls To The Tee instructional golf clinic at Westchester Country Club.

A dazzling display of great play at our Junior competitions will be taking place in all three districts in the Metropolitan area. No membership or handicap is required to compete in the Maureen Orcutt Trophy Tournament on July 26th at White Beeches in New Jersey or our Junior Girls' Open Championship at Woodmere on Long Island on August 1st. How fortunate our youngest members are to participate and compete at these magnificent sites!

The future of our Association, whose mission is promoting women in competition, belongs in the hands of our youngest members. Those of you who share our commitment in promoting golf opportunities for Junior Girls can relate to the words of a song made famous by the late Whitney Houston. "I believe the children are our future. Teach them well and let them lead the way. Show them all the beauty they possess inside. Give them a sense of pride to make it easier."

Encouraging our juniors to participate in the tournaments and opportunities the Women's Met will provide them is the message I would like to send out to all of you. The WMGA Foundation Committee is working hard to award those in need the assistance they deserve. Our Junior Fellowship Program allows girls to become full junior members for a year even if their families do not belong to a member club. Fabulous opportunities await those young ladies who take a swing in the right direction. "Golf is a lifetime adventure", how nice for us to pass it on.

Featured Golf Course

The Maidstone Club

East Hampton, New York

The Maidstone Club in East Hampton, New York will be the host of our Better Ball "A" Championship on October 2 & 3. Founded in 1891, Maidstone's eighteen-hole course has been named one of Golf Digest's Top 100 Courses. The layout offers stunning ocean views from many of its award-winning holes. The last time Maidstone hosted a Women's Met event was for the 2005 Seniors "A" Championship. The tentative schedule of events for the first day of the Better Ball "A" begins with a brunch for the players followed by a shotgun start. After golf, there will be a casual barbeque dinner at the club for all the participants. The second day of competition will have morning tee times with lunch following play. We are excited to return to Maidstone for what is sure to be a fun and memorable time for all. Grab a few of your friends and we will see you in October for a great getaway!
