Despite the bad weather, fifteen golfers, 17 years and under, competed for the Mrs. Frank Enos Trophy and they all did exceptionally well under the trying conditions.

There was a tie for second between Nancy Albert of Green Acres and Joyce Weiss of Cold Springs Country Club with 88's. Nancy, with a 44, was tied with Mary Ann at the end of the first nine, the two 16-year-old girls were still all even at the end of the fifteenth hole.

However, Nancy then began to have trouble and an 8 on the eighteenth gave her another 44.

Joyce, who is 17 years old, and has been playing golf only three years, lost her strokes on the first nine by carding a 46. She came back in 42.
