

WCGA carries the scholarships for 22 caddies

Paula Slivinsky, a Brewster High senior, became the first girl to ever receive a Caddie Scholarship Fund grant by the Westchester County Golf Association.

Twenty-two caddies earned grants this year.

The WCGA annually awards scholarship grants to area caddies. Since the fund's creation in 1956 by the legendary Westchester linkster Willie Turnesa, and the late Udo Reinach of Scarsdale, scholarships have been awarded to 453 caddies.

In a joint statement at the time of the awarding of the scholarships at the Apawamis Club in Rye, Mrs. Sally Francis of Rye, President of the Fund, and Turnesa said: "The Selection Committee, headed by Mr. A. Fred Williamson, has chosen an exceptionally fine group of young people. The Directors of the Fund and the Westchester County Golf Association are very proud of these young people, just as we have been proud of their predecessors."

Slivinsky, who plans to attend the University of Miami (Fla.), is a two-time Women's Metropolitan Golf Association Juniors (18-and-under) Open champion. Besides winning the Junior title last year, Slivinsky also won the Maureen Orcutt Trophy Tournament, and was a semifinalist in the WMGA Championship event.
