**PURCHASE, N. Y., Oct. 10**  
—Not even fog and rain could stop the Women's Metropolitan Golf Association senior championship from completing its appointed round today.

Mrs. Joseph Nesbitt of the Westchester Country Club, playing through fog over the 5,960-yard par-74 Century Country Club course, took a two-stroke first-round lead with a round of 41, 42—83.

In second place, two strokes behind, was Mrs. Henry Doubilet of Hollywood. She played well, except on the last two holes, for a tally of 41, 44—85.

This is the 17th annual event and 61 contestants came out to honor the donor of the Clara Rossin Trophy, Mrs. Robert Ackerman of the Century Club, who died last week while competing in the women's national senior tournament at Atlantic City.

The metropolitan association committee has donated a trophy in memory of Mrs. Ackerman. It will be given to the winner of the first low net.
