

## KENDRA BEARD 1981 JUNIOR CHAMPION

Kendra Beard

The name Beard is well-known to the WMGA membership as Ann recently retired as our president. Now we have another prominent Beard in our organization—Kendra—who is our new Junior Metropolitan Champion. Kendra has been a highly skilled and well-recognized junior competitor for several years, and clearly showed her capabilities in this championship.

Kendra had won the New Jersey State Junior Championship a week before our championship so she must have been in a winning frame of mind.

Rockville Links, in Rockville Centre, was the site of our two-day stroke play championship. With its tight layout, the par 73, 5731-yard course proved a good test for our twenty participants. Maureen Fisher led after the first round with a score of 78, followed by Adrienne Gilmartin with an 82, and Kendra Beard with an 83.

On the second day's play, Kendra, a six handicapper, overtook the field with a brilliant 75 two over par round, winning handily by six strokes.

Our low net trophy resulted in a tie between Maureen Fisher and Nathalie Scarpa with combined scores of 146. In an 18-hole playoff, held the following Wednesday, Maureen won with a fine 81-9-72.

Each of our girls received lovely watches as favors, provided by the interest accrued from our Junior Fund, the principal of which was established by a gift from Mr. Thomas Pepitone two years ago.
