

JUNIOR GIRLS INTER-CITY TEAM MATCHES WON BY NEW YORK

The W.M.G.A. and the Westchester Country Club were the joint hosts of the 49th annual Junior Inter-City Team Competition held on June 29th and 30th.

The W.M.G.A. Team was comprised of the following girls: Karen Gray (Pelham), Adrienne Gilmartin (North Hempstead), Tracy Hauth (Wheatley Hills), Susan Redard (Knickerbocker), Nathalie Scarpa (North Jersey), and Kathleen Doyle (Spring Brook). All, with the exception of Susan, were members of last year's winning team, so our expectations were high.

Unfortunately, our first day's practice-"sweepstakes" round was called off after four holes due to thunder showers and continuous rain. This necessitated incorporating the "sweepstakes" into the matches the following day. A gorgeous day greeted the girls for the matches and our team played fine competitive golf to retain the trophy for the second year in a row.

The totals were as follows: New York—18, Massachusetts—14½, and Philadelphia—12½.

Westchester County Club was most gracious and hospitable and it was indeed a thrill for the girls to play there just after the conclusion of the Westchester Classic.

Congratulations to our 1982 Junior Inter-City Team.
