Karen Durkin of Westchester defeated Debbie Doniger of Connecticut, 2 and 1, in the final of the Women's Metropolitan Golf Association's 88th Match-Play Championship on June 21 at the Montclair Golf Club in West Orange.

Donna Young of Springdale, the recent Garden State Women's Golf Association Stroke-Play champion, had advanced to the semifinals before falling to Doniger, the No. 1 golfer for the University of North Carolina's women's golf team. Young advanced by defeating Ann Probert of Somerset Hills, the qualifying medalist, 2 and 1. Probert's low qualifying score was 74. Helen Aitken of Montclair also advanced into the second round of match play before falling to Doniger, 6 and 5.

Last year's champion, Karen Noble of Morris County, a member of the 1990 U.S. Curtis Cup team, has turned professional.
