Let me be the first to welcome you to the 110th anniversary year of the WMGA.

I am delighted to introduce our new Board members. Sarah Cohn of Fresh Meadow (LI) is VP – Public Relations and Outreach replacing Beth Post of Quaker Ridge (WC/CT) who became VP – Competitions. Sue Cancelosi of Glen Ridge (NJ) is Secretary. Our Membership Committee Chairman is Mary Cacciatore of Hempstead (LI). Amy Hyman of Sunningdale is the Interclub Team Matches District Captain for Westchester/Connecticut. Elly McKenna of The Country Club of Fairfield (WC/CT) joined the Board last June as editor of Tee Talk. These women and the rest of the Board are working hard to ensure a great upcoming season.

Our membership renewal process is now complete and we begin 2009 with nearly 2,600 individual members at 204 member clubs. That’s a net increase of about 150 members over last year. As you’ll recall, last fall the Board approved increasing the maximum USGA Handicap Index for initial membership to 21.0. This change accounts for the majority of our new members. On behalf of the Board, I welcome them and trust they’ll enjoy their WMGA experience. Please join me in making them feel at ease.

As stated in our Tournament Schedule Book, the WMGA offers a membership classification, Inactive Membership, to a Regular Member who takes a leave of absence from her club or resigns from her club and does not join another Member Club. To respond to current economic conditions, the Board has agreed to also offer Inactive Membership to a Regular Member who remains at her Member Club but in a membership category that does not qualify her to be a WMGA member, such as a house or social membership. In this way, she can readily reinstate her Regular Membership when she returns to a qualifying membership category at her Member Club.

We continue to strive for improvements in the services we offer to you. We have contracted with BlueGolf for online registration, interactive tournament results and enhanced website services. Their web-based suite of products, designed specifically for golf administration, will greatly enhance our communication with you.

Here’s an example. With our improved website capabilities we’ll have a “real time” leader board for each tournament plus same-day results e-mailed to the media and the players directly from the tournament site. We’ll keep you posted as online enhancements become available.

The USGA has continued its generous support of the WMGA by approving another grant for a P. J. Boatwright, Jr. Intern for 2009 – 2010. Mike Tener, our current Intern, will complete his service in early May. If you know of someone who might benefit from the internship experience, please contact our Director of Operations, Nancy Early. Don’t forget three major USGA Championships will be played in our area this season. The US Open will be contested at Bethpage State Park Black Course in Farmingdale, NY from June 15 – 21. The US Junior Amateur and the US Girls’ Junior Championships will be played concurrently at Trump National Golf Club in Bedminster, NJ from July 20 – 25. Plan to attend and root for your favorite players.

We are always looking for members who want to get more involved in the WMGA. We have a number of volunteer opportunities available. If you have an interest in or want to learn about course rating, contact the Chairman in your district. You’ll find her name in the Tournament Schedule Book. If you’d like to help with tournaments, contact Nancy Early, our Director of Operations. If you’re interested in serving on the WMGA Board, contact this year’s Nominating Chairman, Gerri Scarpa.

Speaking of Gerri, as of January 1, she passed the WMGA Scholarship Foundation’s presidential gavel to Gale Brudner. I know I speak for all WMGA members when I thank Gerri for her faithful service and wish Gale all the best as Foundation President. Please consider including a donation to the Scholarship Foundation among your 2009 charitable gifts.

My message would not be complete without recognizing our wonderful office staff. Nancy Early, Mike Tener and Lori Goldstein, our Office Manager, have developed into a productive team dedicated to providing outstanding service to our members. They are integral to the WMGA’s success.

I hope you’ll include a number of WMGA tournaments in your 2009 competitive schedule. I look forward to seeing you soon.

Kathy Cosgrove
President
Mary and her husband, Roy, have played at Hempstead Golf Club on Long Island for more than 30 years. In a reverse of the usual husband-wife golf story, Mary was the one, while at the University of Iowa, who encouraged her soon-to-be husband to learn the game, knowing that when they moved to New York, if Roy did not play, she might never play again.

Roy even spent part of their honeymoon money on golf clubs and the newlyweds came home early! That was money well spent as Roy was hooked and their lives have been forever linked to golf.

Mary has served as Hempstead’s WMGA Team Captain and Met Rep for several years. She is currently Hempstead’s Women’s Tournament chairwoman. She also has served as a WMGA Series Captain and as a Board member of Arrows Youth Hockey Association.

Do you think golf is Mary’s passion? She is currently Hempstead’s Women’s Club Champion. She won her first title in 1980, and has a record 14 championships and 10 runner-up finishes. In between golf matches Mary reared two wonderful sons. She also had a career that included co-founding her own software company and working as a marketing manager in several high-tech companies. She currently assists her son in designing kitchens and custom cabinetry when she is not out on Hempstead’s 1st tee!

Sue lives in Glen Ridge, NJ, directly across the street from the 10th tee of her home course, Glen Ridge Country Club. She learned to play golf at Rockaway River Country Club (NJ) and enjoyed playing 9 holes with her father on Sunday afternoons. Unfortunately she has not had the same pleasure with her son who prefers the rough and tumble of ice hockey, but there is still time!

Sue has endured several injuries in the past few years which have limited her golf; but she spends time on the golf course in her capacity as a Course Rater and as a volunteer at several of the PGA and LPGA tournaments. Sue has also served on the Board of the Women’s New Jersey Golf Association.

Sue is a microbiologist by training with an undergraduate degree in Biology from Randolph-Macon Woman’s College and a PhD in Microbiology from the University of Virginia. She worked as an immunologist for a number of years. Sue subsequently moved from academia into the business world where she runs a family business with her brother. She also was the only woman among 17 directors who formed a bank in Nutley, NJ.

Sue is active at St. James Episcopal Church in Upper Montclair where she has served in various capacities as Vestry Member, Warden and Treasurer.

Sue enjoys target shooting, hiking and crossword puzzles in her free time.

Sarah lives in Manhattan with her husband and daughter and plays golf at Fresh Meadow Country Club on Long Island. When Sarah was still a competitive figure skater at age 16, her mother begged her to try golf because she could not drive her to the skating rink at 5AM anymore. She reluctantly agreed and was completely hooked after her first lesson. Her parents were right when they encouraged golf; they said it would be a wonderful sport for life.

Sarah, a graduate of Trinity College, was educated as a lawyer and spent more than twenty years in the commercial real estate business during which she served as Vice Chairman of the Young Men’s/Women’s Real Estate Association and was honored to be its Young Person of the Year in 2004. Sarah now enjoys being a professional volunteer. Her main love is Habitat for Humanity where she works both in the office and participates in “builds” as often as possible. She is currently a member of the Community Service Committee at her temple and organized the packing of 75 care packages to troops overseas. Sarah also enjoys her role as Secretary of the Women’s Cross Country Golf Association and as a member of the Green Committee at Fresh Meadow.

In addition to golf, Sarah loves practicing yoga and will commence yoga teacher training in March. If a round is slow and you see someone doing a headstand on the course, it’s probably Sarah!

Amy, a graduate of Northwestern University, enjoyed a successful career as a media sales and marketing representative. She has served as a Director of Special Events and as a consultant to the American Cancer Society. Most recently Amy created a walk and family fun day to raise money and awareness for the Maria Fareri Children’s Hospital in her role as Walk the Walk/Go the Distance Director/Coordinator of Major Gifts. Amy also volunteers her time to the Twigs Program at Northern Westchester Hospital and was very involved in the charity efforts of the Junior League of Northern Westchester.

Golf is a family passion for the Hyman family. Amy was encouraged by her grandmother, a twelve-time Club Champion at Oakwood Club in Cleveland, Ohio, her father, an eight-time Club Champion at Sunningdale Country Club and her husband to play the game. Happily for the Ettelsons, Amy married into the Hyman family, also avid golfers in the New Haven area. Amy and her husband, Bob, have raised three beautiful children, two of whom are low single-digit handicappers and Sunningdale Club Champions. Amy’s daughter, Emily,
has played on our WMGA Junior Girls’ Team and is off to Dartmouth in the fall to play on their golf team!

Amy, a two-time Sunningdale Club Champion, has served as a WMGA Series Captain and now as a District Captain. She chaired the Sunningdale Women’s Golf Committee and recently served as President of the Women’s Tri-County Golf Association. Amy’s breadth of management experience is a great asset to the WMGA Board!

Elly, a graduate of Yale University, is a learning specialist at Fairfield Country Day School and resides in Fairfield with her husband and four daughters. She comes from a competitive sports family and although golf was a favorite of some members of her family; it was not one of hers until her brother surprised Elly with a brand new set of golf clubs for her 40th birthday which sparked her interest in the game.

Elly has chaired the CC of Fairfield’s Women’s Golf Committee and now serves on the Nominating Committee of Women’s Westchester Fairfield County Golf Association and as a WMGA Team Captain. She has been encouraged to get involved in tournament golf by her great friend and mentor, Helen Stovell, a past member of the WMGA Board. Helen and Elly have shared some epic battles for the CC of Fairfield Championship trophy with Elly sinking a downhill putt to win on the 18th this past year. She also was runner-up to Sheila Torgan in the 2008 WWFCGA Championship.

Many WMGA members do a double-take when they see Elly on the golf course as she is a dead ringer for her older sister, Dede Brooks, a member of Round Hill and four-time Women’s Champion of Rockaway Hunting Club. These two Dwyer girls hope to master the Pinehurst format and mount a successful challenge for the Sister-Sister Championship at Hampshire in July!

The Rites Of Spring Are Here Again!!!

The 63rd season of the Interclub Team Matches will have an increase of eight new teams participating for the Helen Hockenjos-Ruth March Founders Trophy. This brings our total to a very impressive 180 teams. This is an exciting time and we wish all our new members good luck in their competition. Play will begin on April 21st and conclude on May 14th with the Interdistrict Championship Playoff at the very prestigious and challenging Engineers Country Club in Roslyn, New York.

With all the snow in the east this year, our golf courses have had a well deserved long sleep and should be in wonderful condition for the 2009 team match season. While the snow has been falling and the wind blowing, the Team Match Committee has been busy at working, thinking, and doing golf!

The WMGA Board extends its sincere appreciation to all Series Captains and Met Reps for your diligence and dedication in assisting with the scheduling of the team matches each year. Please keep in mind, as you visit our match venues, that we are guests. It is important to remember (as stated in the Rules of Golf), “The Spirit of the Game”

All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times.

REMEMBER: IT IS A WMGA RULE
NO ELECTRONIC DEVICES ARE PERMITTED ON THE GOLF COURSE OR GROUNDS OF ANY CLUB. THIS INCLUDES, BLACKBERRYS AND PHONES. THE BEST ADVICE IS TO LEAVE THEM IN YOUR CAR!!!!!!!!!

DURING TEAM MATCHES
THE USE OF DISTANCE-MEASURING DEVICES WILL NOT BE PERMITTED

Prior to the beginning of your matches:
• Familiarize yourself with the rules in the Tournament Schedule Book which are applicable to team matches. Most of your questions will be answered in this book.
• Please note the change in the rule concerning playing short. Effective this year a team that does not come to a match with at least three players will be DQ’d and moved to the bottom of the last series behind any waiting team.

During the matches:
• Your Series Captain is the official in charge. Any questions or problems should be addressed to her. Please give her your full cooperation.
• Carefully review the sign-in board. It is your responsibility to read and adhere to all information on the signs posted. Check for any local rules that might be pertinent, in particular, the rules regarding preferred lies/winter rules.
• Double check your team line-up (note: if two players have the same handicap, the only accepted order of play is the one continued on page 7.

listed by the team captain on the final team entry forms). The penalty for playing out of order is severe!

• Try to keep your schedule flexible during these three weeks. We never know when weather might cause a match date to be changed.

• Carry the USGA RULES OF GOLF 2008-2009 in your golf bag.

KNOWING THE RULES SAVES STROKES

Please remember that traffic is extremely unpredictable.

Traffic is not an acceptable excuse for being late!

Your WMGA Board has approved the dates for the 2010 team matches. The matches will begin on April 20 and conclude on May 4th. The challenge rounds will be May 11th, 12th, and 13th. The Interdistrict will be held in New Jersey tentatively scheduled for May 13th.

I wish to thank my extraordinary Interclub Team Match Committee comprised of New Jersey District Captain, Sheila Wall; Long Island District Captain, Peggy Richling; and new this year from the Westchester/Connecticut district, Amy Hyman. These ladies have put in an inordinate amount of time and effort. Please, if they call you, give them your full cooperation as they are working to make sure your 2009 team match season will run smoothly and be a huge success.

If there are any questions or comments, please do not hesitate to contact your District Captain or me, before, during, or after the team matches.

THANK YOU WMGA FOR A GREAT RUN.

A special thank you to Bridget Shanley Lamb for making that phone call in 2002.

I cannot conclude my tenure on the WMGA Board without a tremendous thank you to my very patient husband, Stuart, who without his support, wisdom, and understanding I could never have accomplished my goals.

Sherry Sloane
Interclub Team Matches Chairman
Welcome to the 2009 Season of the Women’s Metropolitan Golf Association. I am happy to announce we have a wonderful schedule of tournaments, as usual. Let’s not make this the “season of the usual.” Make a promise to get out and play in one of our individual, partner, or family events. Our tournaments have openings for many more competitors. Check the level of play on our schedule. “A” events are for those players with a maximum USGA Handicap Index of 14.0. “B” events are for players with a Handicap Index of 14.1 to 40.4. The major championship events are required to include players competing for Player of the Year points so some registration spots are reserved for these golfers.

So many of us enthusiastically support Interclub Team Matches in the spring. Don’t let that be your only participation in the WMGA. Bring that team spirit to the rest of the schedule and sign up with a friend or make new ones. When you compete in Team Matches make sure to pass on thanks for leadership, dedication, and organization to our Team Match Directors: Sherry Sloane, Chairman; and Amy Hyman, Peggy Richling, and Sheila Wall, District Captains. Don’t forget to thank your Series Captain and your Team Captain.

Our registration process and website will not be “as usual” either. Tournament registration opens much earlier this year – April 1, so by June 1, your golf season schedule is complete. There will be so much information on our website about tournaments and the courses we play. You will find www.wmga.com to be a place you visit often. One thing you will notice is Distance-Measuring Devices will be allowed in our tournaments with the exception of Junior Events and Interclub Team Matches.

Our season includes many great venues. After Interclub Team Matches, we play events among our three districts for some friendly rivalry. The WMGA Golf Illustrated will be played at Winged Foot and the Myra D. Paterson Trophy is at Twin Brooks. Our best players from all three

districts will be traveling to Massachusetts to compete for the Griscom Cup. Donna Young, our Team Competitions Chairman, has assembled a talented and able team. We will be hosting the Junior Intercity at The Country Club of Fairfield which shows off the talent of our best juniors against those of Massachusetts and Philadelphia. Nancy Rees, our Junior Girls’ Chairman, has an innovative and fun season ahead.

You can come to compete or cheer on the players at our major championships. The Metropolitan Amateur is at Siwanoy; our Match Play Championship at Baltusrol; and our Stroke Play Championship at Brookville.

What makes all our tournaments seem like championships and far from “usual” is the combined efforts of our staff and our volunteers. Nancy Early, Mike Tener and Lori Goldstein in the WMGA office ensure that every tournament runs smoothly. I cannot say enough for the efforts of our Site Chairman, Cheryl Brayman, who, with the help of the Met Reps, has secured a wonderful schedule. We are so grateful to our member clubs who are hosting tournaments this year. The Met Section is blessed with a collection of golf courses which are among the best in the world. Muffy Finken, our Prize Chairman, has chosen beautiful prizes and prepared generous certificates ready for you to take home.

Remember when you see the “usual” volunteers at the registration desk or on the course timing pace of play, give them an unusually large thank you. It will be my pleasure to give all the competitors an unusually grand thank you for getting out to play. Here’s to a great season.

VP of Competitions

**Junior Girls’ Chairman’s Message**

Whether you are a player or a spectator, a seasoned golfer or new to the game, 8 or 98 years of age, the WMGA has a wonderful season of junior girls’ golf planned for 2009.

**COMPETE** - We are fortunate in that we have a number of opportunities for junior girls to play this season, and I hope you will take advantage of them. We host two tournaments that are open to all junior girls who reside in our Metropolitan area. The first is the 50th Maureen Orcutt Trophy Tournament on Friday, July 31st. White Beches Golf and Country Club in Haworth, New Jersey graciously hosts us every year for this tournament, held to honor the memory and inspiration of Maureen Orcutt, one of the WMGA’s most legendary golfers. In addition, we will hold the 84th Junior Girls’ Open Championship on Tuesday, August 18th at Westchester Hills Golf Club in White Plains, New York.

Juniors who are interested in playing in WMGA family events should note the dates of the Sister-Sister/Sister-Brother Championship on Thursday, July 16th at Hampshire Country Club in Mamaroneck, New York, the Father-Daughter Championship on Thursday, July 30th at Woodcrest Country Club in Syosset, New York, and the Mother-Daughter Championship on Thursday, August 6th at Willow Ridge Country Club in Harrison, New York. Please note that you must have my permission if you would like to enter these tournaments.

**CONNECT** - We are very excited about a new event we are hosting this year. In July (on a Monday still to be determined), we will have our first ever “Girls to the Tee” at Westchester Country Club in Rye, New York. Open to all junior girls whose parents or grandparents belong to a WMGA member club, we will have pros on hand to help you with your game, equipment to try, skill contests, and prizes. We hope to give all girls a chance to meet other girl golfers, see old friends and make new ones, and improve your game no matter if you are a novice or expert. We encourage you to bring a friend even if they have never played the game. Who knows, the next Tiger Woods (or should I say Tigress?) may just reside in the Met area. Stay tuned for more information and details.

**CONGRATULATE AND CHEER** - The WMGA is hosting the Junior Intercity Tournament this summer. This is the 69th year that junior girls from Philadelphia, Massachusetts, and New York will compete for the Enos Cup (or bragging rights for the best junior team!). Please consider coming out on Thursday, July 2nd to The Country Club of Fairfield in Fairfield, Connecticut. Matches begin at 8:30 am – I promise you will see both terrific golf and sportsmanship on a magnificent course. I know the WMGA junior competitors will appreciate your support as we hope to bring the cup back to the New York area.

**COMMIT** - The WMGA is committed to promoting golf for junior girls and to providing opportunities to play and encouraging competition among junior girls of all ages and abilities. There is no handicap requirement to become a junior member and we invite all girls under the age of 18 who belong to a WMGA member club to join at any time during the year. Please feel free to contact me at the WMGA any time if you have any questions, need a membership application, or if I can be of help in any way. I look forward to seeing you out on the course this summer.
