The President's Message

Amy Hyman

Mother Nature has recently allowed us to have a glimpse of grass here and there. We can now just about identify our many superb Met area golf courses. After such a cold, snowy winter I think we're ready for spring. The mounds of snow and ice, the Polar Vortex, and the lopsided Super Bowl are just unpleasant memories. Before you know it, the 115th WMGA season will begin. It'll be time to reconnect through our Team Matches, tournaments, and Foundation outings.

To ensure a golf schedule of prestigious and enjoyable sites, well run tournaments, and to modernize our methods of communications, your WMGA Board has been working hard in the "off season". Early spring may seem far away to you, but the season for strategizing and planning is actually a short one. Our team is energetic and enthusiastic about accomplishing their tasks.

Please join me in welcoming our newly elected Board members: Michele Greenfield, VP of Outreach, Marketing and Initiatives (Glen Oaks); Brooke Cooper, Initiatives (The Creek); Carol Steadman, LI Team Matches (Rockaway Hunting); Mary Beth Childs, Foundation Liaison (Canoe Brook); Susan Keating, Communications and Branding (Spring Lake), and Sarah Greenhill, Westchester/CT Team Matches (Round Hill). Carol Goldman has accepted the responsibility of the Interclub Team Match Chair. They join bright, seasoned board members and an exceptional staff: Nancy Early, Executive Director; Kaitlin Sabbagh, Manager of Tournament Operations; and Sarah Relyea, our current USGA Boatwright intern. We value our partnership with the USGA and we continue to support USGA events with volunteers and publicity. We thank the USGA for their renewed commitment for our 2014 P. J. Boatwright, Jr. Intern grant.

Early this winter, four Executive Committee members, two WMGA Board members, two past presidents and our Executive Director attended a Strategic Planning Meeting at Winged Foot Golf Club lead by professional facilitator and past board member, Leanne Leonard. It was a long, productive, and enjoyable day addressing some of the organization's challenges. During the planning session, the group brainstormed new ideas, visions, action items. Solutions and key priorities were established. One primary area of focus was our mission statement. We concentrated our efforts extensively to make sure Board, committee and staff efforts are supporting desired goals/platforms. An updated mission statement can be found on our website and in the Tournament Schedule Book (TSB). A top priority is effective communication with our members. We are committed to making our website even more informative, complete, and user friendly.

Our WMGA Foundation was also a key topic at the strategic planning meeting. Last year was a very busy growing year for the Foundation. The WMGA Board continues to oversee the day to day Foundation operations and coordinate efforts with the Foundation Board. The 11 trustees of the Foundation are charged with supporting women's golf and our juniors. Girls' Junior golf is our future. We are very fortunate that Beth Post, a WMGA past president, has volunteered to chair the Foundation Board and we truly appreciate her dedication. Beth also recently joined the MGA Executive Board. Quite an honor!

Although much was covered that foggy, icy day at Winged Foot, our Critical Needs Committee (CNC) and its subcommittees will take on a prominent role from this point to focus on topics and issues cited at the meeting. The WMGA has a strong desire to be considered the women's golf authority in the Met area and our priority is to ensure that WMGA traditions endure in a changing golf world.

On behalf of the Board, I invite all of our members, whether you participate in team matches or not, to consider playing in the many other events the WMGA and the Foundation have to offer. We urge you to take advantage of the entire WMGA tournament schedule. Our tournament committee provides great venues for friendly competition and fun.

Last year, I enjoyed forming bonds with many women in each of our three districts. I look forward to an amazing 2014 together!

Get to Know the New Board

Mary Beth Childs
Foundation

Mary Beth grew up in New Jersey and is a lifelong member of Canoe Brook Country Club in Summit, NJ. Mary Beth graduated from Seton Hall University with a BS degree in Marketing and additionally is the only female to have played on the University's men's golf team, since they did not offer a women's team until 30 years after she graduated. She is starting her second decade on the Athletics Committee at Seton Hall University, where she was elected into the Athletic Hall of Fame in 2008, and also serves on several committees within the business school. Mary Beth retired in 2007 after 27 years with Ford Motor Company and started her own marketing business in which Lincoln is her primary client. She is instrumental in Lincoln's sponsorship with the MET PGA, NJPGA and NJSGA. Mary Beth also works with Public Affairs for Ford Motor Company in New York City. Mary Beth looks forward to working on the WMGA Foundation.

Brooke Cooper
Initiatives

Brooke is honored to join the WMGA Board and looks forward to contributing to the future of the organization. Brooke is an avid golfer from The Creek Club in Long Island who enjoys playing in WMGA events and has had the privilege of competing in five USGA Mid-Amateur championships. Brooke is also a squash player who was a four-time All American at Harvard where she served as co-captain and was a member of three national championship teams. Professionally, Brooke is an investment banker at Morgan Stanley. She graduated from Harvard College and earned an MBA at Harvard Business School.

Brooke resides in New York City with her husband and two young sons, all of whom are golfers.

Michele Greenfield
VP of Outreach,
Marketing and
Initiatives

Michele Greenfield and her husband of 25 years, Richard, reside on the north shore of Long Island in the Village of Muttontown. She grew up in Dutchess County, upstate New York, and received degrees in chemistry. Shortly after being wed, her husband began to patiently teach her the game of golf and in doing so, created a monster. Michele is the mother of two college graduates now, both of whom are avid golfers and fencers. She is eager to finally become an empty nester and perhaps donate some time to practice hitting that little white ball.

In the past, Michele volunteered as a WMGA course rater and served on the Board of Women's Cross County Golf Association. She was a member of The Muttontown Club for 25 years and was their Club Champ many times. For over 15 years, she acted as their Met Rep and Team Captain and held numerous positions on the Women's Board and Golf Committee. She also served on the Executive Committee of the Men's Board and their Golf Committee. In 2010, she moved on to the Engineers Club. There again, Michele took on the Met Rep and Team Captain roles, as well as aiding their Women's Group. This past year, Michele became a member of the Glen Oaks Club where she plays in the first series on their Met Team and serves on the Charity Committee.

In her personal time, Michele assists on the WMGA Foundation Board, LICAAD Board, American Cancer Society/Babe Zaharias Committees and the Dartmouth Parents and Grandparents Fund. She also is a huge sports fanatic, plays cards and enjoys traveling. She is proud to be a part of the WMGA organization and truly looks forward to fulfilling this new role as VP. "I cannot wait to wear the blue blazer!"

Sarah Greenhill
District Captain -
Westchester/CT
Team Matches

Sarah joins the Women's Met Board as a member from Round Hill Club, where she has played on her Met team for the past ten years. In addition to being involved in the Women's Met, Sarah is active in the Women's Tri County Golf Association. She has served multiple years as the Chair of Women's Golf at Round Hill, and is also currently a member of Round Hill's Board of Directors.

Sarah grew up outside of Boston as a member of The Country Club in Brookline, MA. While she grew up in a "tennis" family, she came to play and love the game of golf in her 20's. She is a past Club Champion at Glen Arbor, Nantucket Golf Club and Round Hill.

Sarah received her AB from Princeton University and her MBA from Harvard Business School. She became a Vice President at JP Morgan before leaving Wall Street to join a then start-up software company, Ultimate Software. After the birth of her eldest child, Sarah left the corporate world and has been focused on raising her children.

Sarah and her husband Bobby have three girls ages 15, 13 and 11. Sarah has been active in volunteering in various capacities at their schools. In addition, she has been involved in many other charitable organizations, including serving on the Board of ConnCAN, an organization dedicated to improving Connecticut's public education system.

Susan Keating
Communications
& Branding

Susan joins the board as a member of Spring Lake Golf Club where she has been a member since 1990. She has been on Spring Lake's Met team for several years. Susan currently serves as the Chairman of the 18-Hole Women's Group, and is on

the Golf Utilization Committee at SLGC. For the past six years, she has served as the Chairman of the Shore Interclub League, which consists of 10 Monmouth County clubs. She gave up this post to come on the board of the WMGA.

Susan received her BS in Accounting from Fairfield University, Fairfield, CT, where she also played on the tennis team. She earned her MBA in Finance from Pace University, NY. Susan worked for many years in banking and finance in New York and New Jersey. After serving for ten years as the Chairman of the Finance Council at St. Catharine Church in Spring Lake, Susan currently helps out with financial work at the Church, and also teaches CCD to 7th graders.

Susan resides in Avon-by-the-Sea with her husband Brian, an avid golfer, who convinced her to take up golf about twelve years ago. Susan and Brian have

two grown children, Brian, 26, and Ainsley, 23, who both live in New York City.

Carol Steadman District Captain – Long Island Team Matches

Carol grew up in the suburbs north of Chicago and moved to New York City after graduating from Brown University. She received an MBA degree in Finance at Columbia Business School and joined Morgan Stanley in the Corporate Finance Department. She worked on Wall Street for 15 years, retiring in 2000. She then began her current career in residential real estate sales as an Associate Broker at Stribling & Associates in Manhattan, selling co-ops, townhouses and condos in the City

and single family homes in Lawrence, NY. She divides her time between NYC and her home in Lawrence, NY.

Carol grew up in a golfing family but was primarily a tennis player until being bit by the golf bug in her 30's. She has been a member of the Rockaway Hunting Club in Lawrence, NY since 1979 and was Ladies Club Champion in 2007. She served on the Board of Governors for 14 years and was the Club Treasurer for 8 years. She was Chairman of the Ladies Golf Committee for 6 years and has been the Team Captain and Met Rep for the past 15 years.

When not traveling the world, playing golf or selling real estate, Carol is an avid gardener and is active in her community. She is currently the President of the Garden Club of Lawrence which supports many public service and conservation activities on Long Island.

VP of Outreach, Marketing & Initiatives Message

Michele Greenfield

I am excited to be a part of your WMGA Board as the VP of Marketing, Outreach and Initiatives. In this position, I will look towards the future with fresh, new ideas; while respecting the tradition of our wonderful association. Communication is important and I welcome any comments or suggestions from all of you. Feedback helps our Board make decisions that will keep this organization strong.

Membership in the WMGA allows us the opportunity to forge new friendships, while competing at some of the finest golf courses in the country. We are so lucky! The 2014 season begins with a very sound membership. On behalf of the Board, I welcome our 259 new members and trust they'll enjoy their WMGA experience. Let's do all we can to get them to be active, long-term members. The future of our organization is dependent upon membership numbers. Times are changing and many golf organizations in the US are experiencing smaller growth. We, as your Board, are addressing this problem, along with many other issues. We are taking action and believe that we can remain one of the oldest and strongest golf associations in the country. We could use your help though. I ask each of you to assist the Board with our membership efforts. Please check your club's women's handicap roster. If someone with a Handicap Index of 23.0 or less is not a WMGA member, encourage her to join our association. She can come in at any time during the year. Membership in the WMGA demonstrates support for amateur golf for women and girls.

To all the Met Reps out there...Thank you! We appreciate all that you do. Mary Anne Kelly, our Membership Chair, has revised

the guidelines of a Met Rep, so that this important job will become clearer for everyone. Copies will be handed out at the Met Rep meetings, as well as being posted on our website under the Membership tab.

The WMGA Foundation continues their outstanding work for junior girls. They are grateful for the generous support and recognition given by so many of the WMGA members. This season, they have scheduled a Spring fundraising women's charity luncheon in May, as well as a benefit golf outing held in September. Look for more information about these two events in this current issue. Additional updates will follow, on our website and in future *Tee Talks*. Please try to support the Foundation!

Do you have any time to spare? We are always looking for members who want to get more involved in the WMGA. We have a number of volunteer opportunities available. If you have an interest in or want to learn about course rating, contact Heidi Komoriya. This is a very important task the WMGA provides that makes sure the handicapping system works properly. If you'd like to help out with any tournaments, contact Kaitlin Sabbagh, our Tournament Manager. Junior golf is also another opportunity to volunteer. Watching those young girls play is a real treat and we always need members to help. Contact Diane Mock for more information. Maybe you're interested in serving on the WMGA Board or one of its committees. There are many positions open next year and we need women with a passion for the game. Please contact this year's Nominating Chairman, Beth Post. You'll find all of these names and numbers in the Tournament Schedule Book.

Lastly, you might have noticed that we have revised our mission statement. You can find it via the website and inside the current TSB. It clearly shows our support of junior golf and the future of the game. I hope 2014 is your best golf season yet. I look forward to meeting you and hope to see you at a number of WMGA events.

2014 WMGA Board of Directors

Officers

President	Amy Hyman, Sunningdale

(L to R Front Row) Mary Anne Kelly, Phyllis Gusick, Sarah Greenhill

The WMGA Foundation

Beth Post

Golf is about giving back and being connected. The WMGA Foundation works in many ways to further those ideals.

Since our Foundation's inception in 2001, our members through their donations have been giving back by assisting girls with scholarships to institutions of higher learning. To date, we have awarded 79 scholarships. The Board has received many heart-felt notes from past recipients remarking on the importance of the financial assistance.

At one of our Met Rep meetings, Shannon Rouillard, our guest speaker from the USGA, congratulated us on our scholarship program. She was a recipient of such a scholarship from her local golf association in Oregon. She told us it was invaluable financially, but also a reminder that women care about others. Her comments made us proud that the WMGA has such a high level of commitment to helping others. The Foundation wants to continue to award scholarships and expand its reach. This year's scholarship application deadline is April 21.

In 2012, the WMGA decided to work more closely with the Foundation. A dedicated group of women built the Foundation, making it so successful. These include past presidents and board members Gerri Scarpa, Gale Brudner, Ann Probert, Doris Bennett, Randy Villani, Sue Fisher, Wendy Havens, Carol Pitzer, Jean Schob, Phyllis Anikstein, Barbara Israel, Donna Winston, and Dede Brooks.

The present Board of Trustees includes the following WMGA Board members: Diane Mock, Vice President; Val DePiro Secretary/Treasurer; Mary Beth Childs, Liaison; Michele Greenfield; Amy Hyman; and Kathleen Melli. Beth Post, President; Sarah Cohn; Judy Cuttone; Dale Kramer and Annesley MacFarlane also serve on the Foundation Board of Trustees.

In 2014, our Junior programs, Girls to the Tee and our Fellowship Program, will operate under the Foundation banner. Girls to the Tee, a clinic for girls from 8 to 16 hosted at Westchester Country Club, helps junior golfers get instruction from PGA professionals under the guidance of Gary Weir and Monique Thoresz. It is a wonderful day of girl power. On this day, we want to introduce girls to each other and teach some fundamentals of golf. Juniors can apply to our Fellowship Program and, if accepted, can become junior members of the WMGA. These girls could not join prior to this program as they are not members of member clubs. These young players are able to play in WMGA tournaments. Some of our WMGA members volunteer to mentor these juniors. We thank the Hal and Ruth Lauenders Charitable Trust for giving us the financial support for these programs.

We hope that many of you will come to our first spring fundraiser "Celebration of Women" Luncheon at Siwanoy Country Club on May 22, 2014. We are very excited that The Creek is the site for our 7th annual Foundation Golf Classic on September 25, 2014 which is open to women, men and mixed foursomes. The Lincoln Motor Company, our very dedicated sponsor, will be supporting the Foundation once again. Please put these exciting events on your calendar.

We are very grateful for the donations from individual WMGA members who support the Foundation and to clubs and golf organizations that support us. If we continue to be successful in these efforts, it will increase our support of girls' junior golf, expand our scholarship program, and continue to promote the game of golf to all women. It should be stressed that one of the important missions undertaken by the Foundation revolves around attracting young women to the game of golf. Very few organizations have our level of commitment. Your support has a direct and measurable impact on securing their future in the game.

VP of Competitions' Message

Phyllis Gusick

Welcome to our 2014 season! Plans have been underway all winter and we are excited to get swinging. Remember, we are more than Team Matches. We have so many great tournaments from May through October and we hope you will come out and take part in the fun. Check out our website at www.wmga.com and begin marking your calendars. Tournament registration opens April 1 and remember, all entry fees include lunch!

Our Team Matches kick off on April 22 with the interdistrict playoffs at Quaker Ridge Golf Club on May 15. I am sure it will prove to be a wonderful day of competition on a great golf course. Many thanks to our Interclub Chair Carol Goldman and her phenomenal team Patty Savage, Sarah Greenhill, and Carol Steadman.

I still have amazing memories of last season floating in my head, and this year's schedule is sure to be great as well. Some highlights include the Met Am on June 3 at Baltusrol Golf Club, the Match Play Championship on June 17-20 at North Shore Country Club, and the Stroke Play Championship on July 9-10 at Sunningdale Country Club. And don't miss all our family tournaments including the Husband-Wife A at Glen Arbor on October 9 and the Husband-Wife B at South

Fork on October 14. There will also be something new this season... our three Better Ball Net Tournaments will now be Better Ball Gross and Net! More prizes equal more fun. I want to give a huge thank you to Alicia Kapheim our Site and Club Relations Chair for all her hard work and dedication in securing our sites and putting together a great tournament schedule. It is the toughest job out there!

This year we are also very excited to be conducting our first ever qualifier for the U.S. Women's Amateur Four-Ball Championship. This is a brand new USGA event which will debut in 2015. The qualifier is scheduled for Wednesday, September 3rd at the Country Club of New Canaan and is open to women with HI 14.4 or below. Nancy Early, our Executive Director, encourages our members who are eligible to come out and play. According to Nancy, "The WMGA is thrilled to have been selected to conduct our first qualifier for the USGA and especially for the Women's Four-Ball Championship. This format is perfect for our members and we hope many women will find a partner and sign up."

The Tournament Schedule Book (TSB) is a wonderful resource for everything 'WMGA'. I encourage you to reference it often. In our never ending quest to provide the best possible player experience to our members, we have outlined 'Pace of Play' guidelines which can be found on page 14 of the TSB. Please take some time to examine these guidelines. Slow Play begins and ends with 'you' the player. Let's make 2014 the year we make a positive change. Looking forward to seeing everyone out on the course!

Junior Girls' Message

The PGA of America is presently in the process of selecting the 2014 American Junior Ryder Cup Team, which will face off with Europe on their soil September 22 & 23 in Scotland at Blairgowrie Golf Club. The team will consist of six boys and six girls playing for its fourth-straight win this year. Remarkable! I curiously googled the rankings for the top Junior Girls to see who might be in contention for selection to this year's Junior Ryder Cup Team. To my delight, at the beginning of 2014, the number one position on the US Polo Junior Girls ranking belonged to Nicole Morales. Outstanding! Selections for the Junior Ryder Cup will be announced August 12. Fingers crossed. Three years ago Nicole was our Junior Intercity Team Captain accepting the Enos Cup Trophy in Pittsfield MA with grace and so much poise at the young age of 14. She inspired the group. She will inspire her collegiate team at Alabama next year. She is a true champion and an exceptional young lady. This June, our Junior Intercity team will compete against the best Junior Girls from Philadelphia and Massachusetts and just like the American Junior Ryder Cup team will be playing for its fourth-straight win. Please cheer our Junior Girls on and support us as we play our best at Longmeadow CC in Massachusetts on June 24 & 25. Selections for this team will come from our Junior Girls' membership.

Our WMGA region has a strong community of girls playing great golf and enjoying being part of a team experience. Competing on their high school varsity golf teams during the school year and taking advantage of the tremendous number of golfing opportunities available to them during the summer has grown the game and opened up opportunities for our youngest players. Our Association has a full schedule of events to encourage young ladies to learn the game and compete in a welcoming and friendly atmosphere. Our Junior Girls' Open and Maureen Orcutt Trophy tournament are open to ANY junior girl in the metropolitan area and she does not need to be a member of the WMGA to compete. Sign up on our website or call the WMGA office for information about what we offer Junior Girls.

[L to R] Anina Ku, Samantha Sessa, Hana Ku, Catherine McEvoy, Alessandra Ricigliano, Diane Mock, Faith Garcia

As you've read, many exciting things are happening with the WMGA Foundation. This year, our Junior programs will be conducted under the WMGA Foundation banner. In addition to providing scholarships for young ladies who are advancing their education and have an interest in golf and golfing activities, the Foundation will help us expand our Junior Fellowship and Girls to the Tee programs. The www.wmga.com website provides applications and information for all of these outstanding opportunities. Encouraging participation in tournament play for Junior Girls is part of our mission and purpose at the WMGA. I am available at any time by telephone or email if you have any questions or concerns about the WMGA Junior Golf Program.

Play well and be your best,

Diane Mock

WMGA Junior Girls' Chair, WMGA Foundation Vice President

Stroke Play Championship Comes to Sunningdale

Third Hole at Sunningdale Country Club

Photo taken by Helen Stock, MGA

The 149 acres that Sunningdale calls home was purchased in 1916 and was open for play in 1918. The golf course was designed by Seth Raynor, an architect venerated today for the many famous golf courses he designed.

Around 1919, if a club was interested in making any alterations to their course, Walter Travis would have been among the leading candidates to consider. A three-time US Amateur champion (1900, 1901 and 1903) and British Amateur champion (1904), it was at this point in his career where he was looking to step up his golf course design efforts having come to the end of his competitive playing days.

After a long period of quiescence, Sunngdale is once again in the midst of a course renovation. To date, golf course architect Mike DeVries of Traverse City, Michigan has remodeled eight of our greens. As to the new green complexes, what motivated us to do so can be summed up in a wonderful quote attributed to C.B. Macdonald that "putting greens are to a golf course what faces are to a portrait." Without exception, each new green that Mike DeVries has built for us contains wonderful, bold contour with many more interesting pin locations some of which are benign and easy to acquire, while others demand nothing less than total commitment.

But the real strength of Sunningdale's golf course, which our Club's Forefathers alerted us to, is the land. After completing the seventh hole, one should take a quick detour to the new back tee on the 8th and take a look around. It is the highest point on the golf course and the vistas from there are worth the few extra steps. As Mike DeVries might say, you can truly see how beautifully the land "moves." But this movement comes with golfing price tag...do not expect many flat lies! The original Raynor routing is very much intact, and the humps, bumps and hillocks that he found on the property are still very much a part of it. They provide just enough strategic interest to engage the golfer. The player cannot just hit shots. The right line to the hole must be contemplated. In short, Sunningdale requires the golfer to think their way around the course.

We look forward to hosting the WMGA Stroke Play Championship on July 9-10. Our Green Superintendent, Sean Cain, will have the course in tip-top shape. We believe you will find the golfing experience challenging but fair and at the same time good fun.

By Mike Moss
Sunningdale Member

WMGA Foundation Scholarship Opportunity

Applications Due April 21, 2014

www.wmga.com for application

If you know a young woman who has exhibited an interest or association with the game of golf, please encourage her to apply. The application can be found on the WMGA website or by calling the office, (914) 592-7888.
