

2019 Junior Girls' Fellowship Program

The Women's Metropolitan Golf Association Foundation is proud to announce our Junior Girls' Fellowship Program. An applicant has the opportunity to apply for the WMGA Fellowship which would afford a player all the playing privileges and responsibilities of a regular WMGA junior member. The recipient would be able to join the association for a one-year period with the opportunity to receive the honor again. The Association conducts about 30 competitions each year, providing WMGA members with one of the largest and most varied playing schedules in the Met area. The schedule includes individual, partner, family, and team tournaments.

To apply for the 2019 Junior Girls' Fellowship Program, please fill out the application, **including the attached brief description of why you should be selected** and forward it to our office no later than **Friday, May 3rd**. The selection of this year's Fellowship recipients will be handled by the WMGA Fellowship Committee consisting of WMGA Foundation board members; the WMGA Executive Director; an LPGA/PGA Professional; the Met PGA JGA Director; and a First Tee executive.

To be eligible a girl must meet the following criteria:

- She must be between 12-18 years of age (must not have reached her 19th birthday by 1/1/2019 and not started college).
- She must have a handicap index of 14.0 or less.
- She or her parents may not be a member of one of our member clubs.
- She must reside in the WMGA district (60 miles from Columbus Circle including all of Long Island).

The WMGA Fellowship Committee will select the 2019 recipients. The decision of the Committee is final. All girls selected will receive a formal invitation and a Mentor from our WMGA membership will be assigned to each girl for guidance.
