

# WMGA 35TH ANNUAL TEAM MATCH RESULTS

## SOMERSET HILLS 1981 CHAMPIONS

(L to R): Nancy Burke, Janet Seagle, Mary Laupheimer, Joan Brady, Ann Probert.

The 1981 Interclub Team Matches were a great success. The weatherman was nice to us and there were very few problems. Congratulations to Somerset Hills for their second year in a row win of the Intersectional. Somerset Hills 1 (19) defeated Piping Rock 1 (13½) and Stanwich 1 (12½). Century was our host for this match and they were wonderful to us, taking storms and rain delays in stride.

The successful season can be attributed to the cooperation of all team members. It is really important that for three weeks everyone must be part of the total effort to make things work.

I am especially thankful to the three District Chairmen: Kay Perrotty, Helen Carter and Linda Jacobson and to their series captains. They all worked very hard.

Congratulations to all the series winners and we hope that you will all be ready again for some keen competition in the spring of 1982.

DOT PALUCK, Chairman  
Interclub Team Committee
