

## WOMEN'S METROPOLITAN GOLF ASSOCIATION FOUNDATION INC. Newsletter – 2020 Scholarship Application

April 2020

On behalf of The WMGA Foundation, we hope this email finds you and your families well in these uncertain times. While members of our Board are complying with governmental instructions and staying at home, we have not stopped working or thinking about those who need our help - now more than ever.

With schools closed, we need your help identifying young women at your club or in your community with an interest in golf or golf related activities who need financial assistance in order to pursue their college degrees. Every year, the WMGA Foundation awards scholarships to deserving young women with a demonstrated interest in or connection to the game of golf. Scholarships are awarded, first and foremost, on the basis of financial need, but we also prioritize those girls who demonstrate integrity, strong character, leadership qualities, strong academic achievement, and those who participate in extracurricular activities or donate their time to civic and volunteer programs. These scholarships are awarded without regard to race, religious belief or national origin.

As you shelter in place, please contemplate whether you know a deserving young woman who might meet these criteria. If you do, please send them the scholarship application link. If you don't know of a young woman who meets these criteria, please consider forwarding the application link and this letter to your club manager, assistant manager or golf professional who may know of someone. Applications are due April 24th.

Additionally, if you are shopping online, select the WMGA Foundation on Amazon Smile and Amazon will donate 0.5% of all purchases to the WMGA Foundation.

You can make a difference in a young woman's life. Thank you for your continued support and we hope to see all of you on the golf course soon!

Stay Safe,  
The WMGA Foundation Board of Trustees

**“The mission of the WMGA Foundation is to provide scholarships to deserving young women attending an institution of higher learning who have an interest in golf and golf activities; to foster girls' junior level involvement in golf and competition; and to promote the game of golf to all women.”**
