

## WOMEN'S METROPOLITAN GOLF ASSOCIATION FOUNDATION INC. 2020 SCHOLARSHIP RECIPIENTS

June 2020

The WMGA Foundation Scholarship Committee met via Zoom last month to review the 2020 scholarship applications. We thought the Foundation would be challenged to find qualified candidates this year given school closures; however, luckily, we were wrong! As a result of our marketing efforts, our outreach to you, to our former scholarship recipients, The First Tee of Metropolitan New York, local LPGA teaching professionals, and high school advisors, we are pleased to introduce to you our very impressive 2020 Scholarship Recipients:

In addition, Remi Shendell, from Westfield High School in New Jersey, was awarded the Kathryn Ingoglia Scholarship. This four-year scholarship was funded by the kind donations of Fresh Meadow's members in honor of Kathryn Ingoglia, mother of Fresh Meadow's golf professional, Joe Ingoglia. Kathryn passed away over a year ago after a long battle with cancer. She was married and the mother of three sons. Each of her sons was an outstanding athlete although no two were allowed to play the same sport because she did not want them competing against each other. Kathryn was a woman who believed in empowering other women. She started her own real estate company and actively sought to hire women and owned three residential buildings, often allowing women in need to live rent free.

We are proud to be the conduit for Fresh Meadow's membership to honor Joe's mother and to help another young woman achieve her dreams. Remi will be attending Emory University in the fall.

**"The mission of the WMGA Foundation is to provide scholarships to deserving young women attending an institution of higher learning who have an interest in golf and golf activities; to foster girls' junior level involvement in golf and competition; and to promote the game of golf to all women."**
