MATCH PLAY “A” CHAMPIONSHIP (POY Points Awarded)

Entry Fee: \$150 per player

Days: 4

Eligibility: Handicap Index maximum of 14.0 on the day of entry. If a subsequent handicap revision makes the player ineligible for the event one week prior to the Match Play Championship, she will be required to withdraw. Qualifying field limited to 40 players. Exceptions will be determined by the Competitions Committee. Motorized transportation is prohibited.

Qualifying: Day 1: 18 holes of stroke play. Pairings made by the Committee. There is only one Championship Flight: low 16 qualifiers or defending champion plus 15 low qualifiers. Prizes awarded for Medalist. In the event of a tie for Medalist, duplicate prizes will be awarded. The defending champion is exempt from qualifying but will receive no POY points for qualifying. If she elects to exercise this exemption and so notifies the WMGA office, she will receive the No. 1 position in the Championship Flight draw. If she competes for the Medalist prize, she forfeits her automatic qualification and must qualify on the same basis as all other players. Tee times for the qualifying round will be determined by handicap – high to low. For the purpose of determining places in the draw, ties in the qualifying round, other than those for the last qualifying place, will be decided by a blind draw. A tie for last place will be decided by an immediate hole-by-hole play-off. If a player who is involved in the play-off is not present, her placement will be determined after the placement of participating players, on the basis of the best score for the last nine holes. If the tying players have the same score for the last nine, the winner will be determined on the basis of the best score for last six holes, last three holes, and finally the 18th hole. If this procedure does not break the tie, placement will be determined by blind draw.

Matches: Days 2-4: Each match will be 18 holes, except the final match of the Championship which will be 36 holes. The first and second round matches of the Championship will be played on the first day of match play (Day 2). The Committee will, for the purpose of settling a tie, extend the round to as many holes as are required for a match to be won. Trophy awarded to the Champion.

Eligibility: An entry is submitted for a team of four WMGA members. The team of four may be comprised of any combination of "A" players with a Handicap Index maximum of 14.0 and/or "B" players with a Handicap Index minimum of 14.1 from any member club and/or Independent members.

Format: 18-holes of best-ball-of-four stroke play. Each player receives 75% of her Course Handicap, taking the strokes as they fall on the card. Only the player's score that counts as the gross or net score for the team for each hole needs to be recorded on the official score card. Certificates are awarded to the members of the low gross and net teams. Ties will be decided by matching cards. The winner of each will be determined on the basis of the best team score, gross or net as applicable, for the last nine holes of the day. If still tied, the winner will be determined on the basis of the best team score, gross or net as applicable, for the last six holes, last three holes and finally the 18th hole. One-half, one-third, one-sixth and one-eighteenth of each player's Course Handicap will be deducted to determine the best net score. If this procedure does not break the tie, the winner will be determined by blind draw.
