Tiny Tales from the Tee

A few years ago, I was a kidney donor. I was told not to swing a golf club for a month. One month and one day later, I played in the first team match. My opponent and I greeted each other in the locker room, and I did not see her again until I was walking up to our cart on the first tee. She was pacing with a bit of a frantic look on her face. Worried I was late, I asked if everything was ok. She replied, saying she spoke to the Pro and there isn't a restroom until the 12th hole. She added, "and I only have 1 and ½ kidneys." I couldn't help but laugh and reply, "I only have one!"

We had a delightful round of golf, sharing our stories. P.S. She won the match, but I did last all 18 holes.
