

## WMGA MET REP GUIDELINES – 2023

The Met Rep is an ambassador of the WMGA to her club, its female members and is a spokesperson for her club to the WMGA. She is chosen by her club's fellow WMGA members. As the ambassador, the Met Rep should convey the WMGA spirit and promote our organization's visibility at her club.

**Membership** – **Renew** all current members; **recruit** new members who meet the requirements as per the Tournament Schedule Book [TSB]; and **encourage** players to work on their game to become eligible for membership. **Highlight** membership benefits: tournaments, team play, **promote** volunteer opportunities and **support** for our Foundation.

- To renew and recruit, please be sure to ask your pro shop for a list of all female golfers currently at your club. This list should include their name, Handicap Index, GHIN #, and e-mail address.
- Please contact all those eligible members (25.0 HI or less). There is a sample letter to assist in the renewal and recruitment process. (Go to [wmga.com](http://wmga.com) under Membership tab and select Met Reps).
- **Rolling admissions:** Remember: eligible players can join at any time of the year, the December 1<sup>st</sup> cut off applies only to eligibility for participation in Team Matches.

**Interclub Team Matches** - Work with your Team Captain(s) to ensure that the Final Team Entry Forms are accurate.

**Site Selection** – Please work with the WMGA Sites Chair to procure your club for a tournament when required. (*Member Clubs are to offer their course every three years for a WMGA tournament not including team matches.*)

**Met Rep Meeting** – attend the virtual annual spring meeting via ZOOM, so you can relay information from this meeting to WMGA members at your club, i.e., rule changes, new policies. (Late March/Early April)

**WMGA Annual Meeting** – attend the year-end awards ceremony and business meeting. The Met Rep should encourage all WMGA members to attend, including the Women's Golf Chair. (Mid-November)

If you have any questions or need assistance with any of this information, please do not hesitate to contact the WMGA office (914-592-7888) or Barbara Briamonte at [membership@wmga.com](mailto:membership@wmga.com)
