

WOMEN'S METROPOLITAN GOLF ASSOCIATION FOUNDATION INC. Girls to the Tee Recap and Susan E Fisher Scholarship Fund

September 2021

2021 Girls to the Tee

On August 3rd, Baltusrol hosted New Jersey Girls to the Tee. It was perfect day for the girls and the professionals. Thank you to Baltusrol, Ryan Fountaine and Melissa Dziabo and the rest of the Baltusrol staff for leading the event as well as professionals from Somerset Hills and Montclair Golf Club for donating their afternoon to provide a wonderful learning environment for the girls.

On August 30th, approximately 150 girls attended Girls to the Tee Westchester. The turn out at Westchester never ceases to amaze us. Thank you to Gary Weir, Monique Thoresz and Jenny Sullivan along with a team of 16 golf professionals for providing expert instruction. It was great to also see several of our college golfers and a current scholarship recipient volunteering their afternoon to help out. In addition to full swing, pitching, chipping and putting, Golfzilla made his return and provided a fun, competitive pitching competition for participants and volunteers.

Unfortunately, we were rained out on Long Island due to Hurricane Henri but the WMGA Foundation is committed to our mission to provide clinics in all three districts where girls can learn golf together.

It felt so good to be back on the tee; we can't wait to the 2022 Girls to the Tee clinics to watch another group of enthusiastic junior girls learn the basics of golf!

Susan E. Fisher Scholarship Fund

Sometimes a simple suggestion turns into a great opportunity. In this case, after hearing about the Ingoglia Scholarship Fund created by the members of Fresh Meadow, Emily Renoff (pictured), daughter of Katie Fisher Renoff, decided to give back and honor her grandmother Susan Fisher and we can't be prouder to be the beneficiary of that endeavor. Thank you to those of you who supported Emily. She exceeded her goal for 2021 and we look forward to granting the first Susan E. Fisher Scholarship next spring.

If you have someone you would like to honor or memorialize, please consider starting a scholarship in that person's name through the WMGA Foundation. It's a great way to create a legacy and help a young woman at the same time. The WMGA Foundation office will be happy to help you through the process.

“The mission of the WMGA Foundation is to provide scholarships to deserving young women attending an institution of higher learning who have an interest in golf and golf activities; to foster girls’ junior level involvement in golf and competition; and to promote the game of golf to all women.”
