Tiya Chowdary is the recipient of the first Susan E. Fisher Scholarship, a scholarship endowed by Emily Renoff in honor of her grandmother, who was a long-time member of the WMGA and served on the WMGA Board as Treasurer. Emily created an annual fundraiser called “Birdies for a Bright Future” where she collects donations and pledges for every birdie she makes in a competitive tournament round. In 2021, Emily played 22 official tournament rounds, had 44 birdies and raised over \$10,000 to fund the first ever Susan E. Fisher Scholarship.

Lizzy Tirado is the first recipient of the Connie Brown Scholarship. Connie Brown’s generous endowment will allow five deserving young women with an interest in golf to receive financial assistance from this coveted scholarship. Connie could not be more pleased with the choice of Lizzy as the first recipient. Lizzy shows dedication, enthusiasm and a keen interest in others. These are all qualities that the WMGA sees in Connie Brown. Connie’s interest in the game of golf earned her nine Club Championship titles and a spot on the Westchester Hills Golf Club WMGA Team. Connie has been a huge

She has been to almost every country and has amazing stories to share. You can see from the pictures below that Connie has not lost her touch on the greens. She sure can putt!
