GLOSSARY OF TERMS

Alternate Shot Format: In Alternate Shot format, two partners compete as a side by alternating in making strokes at a single ball. Can be played as stroke play or as match play. Also known as **Foursomes**.

Best Ball of Four Format: In Best Ball of Four, four partners compete as a team, with each player playing their own ball. A team's score for the hole is the lowest score of the four partners on that hole. Can be played as stroke play or as match play.

Better Ball Format: In Better Ball, two partners compete as a side with each player playing their own ball. A side's score for the hole is the lower score of the two partners on that hole. Can be played as stroke play or as match play. This is also known as **Four-Ball**.

Match of Cards: The process by which a winner may be determined in the case of a tie. The winner will be determined on the basis of the best net score for the last nine holes. If still tied, the winner will be determined on the basis of the best net score for the last six holes, the last three holes and finally the 18th hole. One-half, one-third, one-sixth and one-eighteenth of each player's Course Handicap will be deducted to determine the best net score. If a tie is not broken by this procedure, a winner will be determined by blind draw.

Match Play Format: A form of play where a player (or 2 players competing as a side) plays directly against an opponent (or opposing side) in a head-to-head match. Players keep track of holes won, lost or halved versus the opponent. The match is won when a player (or side) leads the opponent (or opposing side) by more holes than remain to be played.

Medalist: The winner of a qualifying round.

Nassau Scoring: In Nassau scoring, there are three concurrent matches in one round: the Front 9 holes, the Back 9 holes, and the Total 18 holes. Each Nassau match is scored in the traditional match play format, where holes are won, lost or halved. The winner of each of the three Nassau matches receives 1 point. If tied, each player or side receives ½ point.

Pinehurst Format: In Pinehurst format both partners drive; each plays a second stroke with the other's ball; they then select the ball with which they will play alternate strokes thereafter. ("Hit, switch, hit, pick, alternate".)

Player of the Year (POY): The WMGA Player of the Year Award recognizes the "A" class member and "B" class member who competed in at least four (4) WMGA tournaments including either the Match Play Championship or the Stroke Play Championship and earned the most points in designated events during the season. Co-sponsored WMGA/Met PGA and WMGA/MGA events, specifically the WMGA/Met PGA Open are included. The point system approved by the Board will be on file in the WMGA office and the final decision of the Player of the Year Award rests solely with the Board of Directors.

Solheim Cup Format: A team competition played over the course of several days. The WMGA Blue and White Cup applies the Solheim format, with 2 teams of 24 players competing in four 9-hole matches of various formats over 2 days. Nassau scoring is used for each match. The competition is won by the team who accumulates more points.

Stableford: A form of stroke play in which a score for a hole is based on a system of points as defined by the Committee, rather than the number of strokes made. For example, on any hole, a bogey = 1 point; par = 2 points; birdie = 3 points; eagle = 4 points. The competition is won by the player or side that accumulates the most points.

Stroke Play Format: In stroke play, a player's or side's score for a round is the total number of strokes made to hole out on each hole. The winner is the player or side who completes all rounds with the fewest total strokes.

MATCH PLAY “A” CHAMPIONSHIP (POY Points Awarded)

Entry Fee: \$110 per player

(Additional charges for breakfast, lunch, cart, etc. will be incurred each day as players advance)

Days: 3

Eligibility: Handicap Index maximum of 14.0 on the day of entry. If a subsequent handicap revision makes the player ineligible for the event ten days prior to the Match Play Championship, she must withdraw and has the option of competing in the Class “B” field. Qualifying field limited to 40 players. Exceptions will be determined by the Competitions Committee. Players may earn points toward “A” Player of the Year. Motorized transportation may be used in the Championship.

Qualifying (Day 1): 18-hole stroke play qualifier with no handicaps. Pairings made by the Committee. If there are fewer than 9 players in the qualifying round, the lowest 8 players will advance to match play. If there are 9 or more players, there will be up to 16 players advancing to match play. Tee times for the qualifying round will be determined by handicap – high to low. For the purpose of determining places in the draw, ties in the qualifying round, other than those for the last qualifying place, will be decided by a blind draw. A tie for last place will be decided by an immediate hole-by-hole play-off. A player not present for the playoff forfeits the playoff and doesn't advance to match play. In the event that 3 (or more) players are tied for the last spot(s), those present will play off. If 2 or more are not present and there is a spot available, that spot will be based on back nine score. Example: 4 players are tied for positions 13, 14, 15, and 16. If only 2 players are present for the playoff, they get positions #14 and #15 based on a blind draw. The other 2 players get positions #15 and #16 based on the score for the last nine holes. If still tied, the winner will be determined on the basis of the best gross score for the last six holes, the last three holes and finally the 18th hole. Prize awarded for Medalist. In case of a tie, duplicate prizes will be awarded, and duplicate POY points will be awarded. Only the medalist may be awarded more than one prize.

Matches (Days Two-Three): All matches will be 18 holes, with no handicaps. For each round, matches are established based on the results of the previous round. In the case of a tie in any of the rounds, Committee will extend the round to as many holes as are required for the match to be won. Trophy awarded to the winner of the “A” Match Play Championship. Prizes awarded to Winner, Runner Up and Semi-finalists, contingent on the number of tournament participants. Trophy winner may opt for crystal in lieu of standard prize.

“A” Match Play Championship Clarifications:

If she elects to exercise this exemption and so notifies the WMGA office prior to the final entry date, she will receive the No. 1 position in the draw. She is entitled to play a practice round on the course during the qualifying round. If she competes for the Medalist prize, she forfeits her automatic qualification and must qualify on the same basis as all other players.

3. All matches will be eighteen holes. The first and second rounds of the Championship Flight will be played on the first day of match play. The third and final round of the Championship Flight will be played on the second day of match play.
