GENERAL INFORMATION

The due date for all applications is April 19th. If the application is not submitted by the due date, it cannot be considered but may be resubmitted for consideration the following year. Applications are reviewed in May and recipients are notified no later than June 15th.

Each scholarship is applicable to tuition, room and board, incidental fees, and books. The scholarship is awarded for a specified number of semesters that is determined by the WMGA Foundation selection committee. The scholarship is subject to the student's continuation in school and to the continuation of the student's financial need. If a recipient does not enter school within one year of receiving an award, or leaves school at any time thereafter, any scholarship award may be canceled, and the applicant may need to reapply for further assistance. Scholarship awards are made payable to the student; however, the student's academic verification and school transcript must be submitted in a timely manner to the Foundation each semester or the applicant will forfeit the award. Any scholarship payments not used in a manner consistent with the terms of the scholarship award are to be returned to the Foundation. All information received by the Foundation will be kept confidential.
