STANDING RULES OF THE WMGA

The Tournament Schedule Book is governed by the WMGA's Constitution and Bylaws, located on WMGA website (www.wmga.com).

I. MEMBERSHIP

Regular Membership

An amateur woman golfer who, under the rules of her Member Club (see Section 1 Club Membership), is entitled to the privileges of the Member Club's golf course for a minimum of four days per week for a minimum of three months during the season, can apply for Membership in the WMGA. A woman who is entitled to the privileges of the course solely by virtue of her employment at that Member Club will be deemed not to be a member of a Member Club. She must have an active USGA Handicap Index of 25.0 or less.

New Regular Membership

- 1) A member of a Member Club with a maximum USGA Handicap Index of 25.0 may apply for Membership at any time during the year; however, to participate in the 2023 Team Matches, she must have joined by December 1, 2022, at the discretion of the WMGA Board.
- 2) Annual dues for new Regular Membership in 2023 are \$125 and should be remitted to the WMGA Met Rep (each Member Club appoints a Met Rep to represent the WMGA members of that club) at the member's club. Dues will not be refunded for any reason after April 1st of the current year.

Renewing Regular Membership

- 1) An existing membership must be renewed for the next year no later than December 1st, at the discretion of the WMGA Board. If the December 1, 2022 deadline was not met, the member must apply for and meet all the requirements for New Membership. Failure to renew or become an Inactive Member forfeits the member's ability to rejoin if her future USGA Handicap Index exceeds 25.0.
- 2) Annual dues for Renewing Membership in 2023 are \$125 and should be remitted to the WMGA Met Rep at the member's club. Dues will not be refunded for any reason after April 1st of the current year.

Inactive Membership

- 1) A Regular Member, currently in good standing, may apply for Inactive Membership only under the following circumstances:

- a) No longer a member of a Member Club or taken a leave of absence from a Member Club; or
 - b) Change in membership status at a Member Club, which results in a membership status that does not meet the requirements for Regular Membership; or
 - c) Resignation is submitted to the member's club, and the member does not join another Member Club.
- 2) Annual dues for Inactive Membership in 2023 are \$10. An Inactive Membership request, together with the annual dues, must be submitted directly to the WMGA office no later than December 1, 2022. If the December 1, 2022 deadline was not met, the WMGA will presume the Inactive Member has resigned.
 - 3) In the event an Inactive Membership is granted by the WMGA, the member may NO LONGER PLAY OR COMPETE in any WMGA event.
 - 4) An Inactive Member may be reinstated as a Regular Member upon joining a Member Club and applying for Regular Membership at any time during the year; however, to participate in the 2023 Team Matches, she must join by April 1, 2023, at the discretion of the WMGA Board. Reinstatement may be requested through a WMGA Met Rep. Resignation from the WMGA must be made directly to the WMGA office.
 - 5) An Inactive Member may be eligible for Independent Membership.

Junior Membership

- 1) An amateur junior girl golfer who has not reached her 19th birthday (by January 1, 2023) and who through her parent(s), guardian, or herself is a member of a Member Club may become a Junior Member for that year. She can apply for Junior Membership at any time during that year.
- 2) A Junior Member must have a USGA Handicap Index to join the WMGA.
- 3) There are no annual dues for a Junior Membership.

Independent Membership

- 2) Membership is valid for one season and must be renewed annually.
- 3) An Independent Member must meet the requirements set forth in the WMGA's Constitution and Bylaws.
- 4) An Independent Member must meet two of the following criteria:
 - a) Resident address must be within WMGA territory.
 - b) Hold a USGA Handicap Index serviced by a local organization (MGA, NJSGA, CSGA).

- c) Majority of rounds of golf posted over the previous year, in season, must be within the WMGA territory.
- 5) Annual dues for Independent Membership in 2023 are \$250 and should be remitted to the WMGA Office. Dues will not be refunded for any reason after April 1st of the current year.
- 6) Independent Members are ineligible to play in Team Matches, vote, or serve on the Executive Committee.
- 7) The Independent Membership Committee retains the final decision to approve applicants and reserves the right to modify any of the rules in this book governing Independent Membership.

Junior Independent Membership

- 1) An amateur junior girl golfer who has not reached her 19th birthday (by January 1, 2023) and is not a member of a Member Club with a maximum USGA Handicap Index of 25.0 may apply for Junior Independent Membership at any time during the year.
- 2) Membership is valid for one season and must be renewed annually.

- 2) Annual Dues for Club Membership for 2023 are \$200 and are payable by January 1st. Failure to pay the dues prior to April 1st will be deemed to be the club's resignation from the WMGA membership, and its members will be ineligible to play in WMGA events until the club makes payment.
- 3) A Member Club that refuses three requests to host a tournament, other than Team Matches, may be subject to disciplinary action, including suspension of its members from all WMGA events (Team Matches included) at the discretion of the WMGA Board.

II. HANDICAPS

- 1) Handicaps must be computed in accordance with the current USGA Handicap System.
- 2) A player's USGA Handicap Index will be adjusted in accordance with the Handicap Conversion Table to the appropriate handicap for the host club.
- 3) The official Handicap Season and final revision date will be determined by each handicap provider. Eligible winter scores with Course Ratings and Slope Ratings should be posted at time of play.
- 4) All scores from WMGA tournaments, including Team Matches, **must** be posted into USGA Handicap Index System. Scores from some WMGA stroke play tournaments will be posted as "C" scores by the Committee as noted in the Posting Scores Memo found on wmga.com.

III. COMPETITIONS

Tournament Entries

- 1) Online registration for all tournament entries, unless otherwise noted, will be accepted starting at 8:00 AM, April 3rd, and will close at 11:59 PM on the final entry date indicated for each tournament. **The field for each tournament is selected on the basis of the order in which the entries are submitted (i.e., first come, first served basis).** A player must submit only one entry per tournament. Tournament registration must be completed online at wmga.com.
- 2) The tournament entry fee typically includes continental breakfast, when applicable, lunch, the golf competition, prizes, tipping, and access to the range and practice area. Fees for cart rental and/or caddie will be paid for by the player at the tournament site.
- 3) After entries close, the tournament information will be posted on the WMGA website and starting times will be emailed to players. If the

field is not full by the final entry date, late entries may be considered. Call the WMGA office (914-592-7888) for availability.

- 4) A waiting list for player/team will be maintained for each oversubscribed tournament. If a player/team cancels prior to the tournament, the first player/team on the waiting list will be accepted into the tournament.
 - a) If one or more players of a team is unable to participate, **the team has a one-time exemption to replace partner(s) for the partnered tournament.**
 - b) **NOTE:** In many cases, being placed on the waiting list does NOT mean a player is excluded from tournament participation. Positions in the tournament often become available as the date approaches. The WMGA recommends a waitlisted player keeps her schedule open.
- 5) Pairings for the tournaments will be made by the Committee unless otherwise noted.
- 6) Practice rounds are not provided unless otherwise noted.

Tournament Cancellation & Refund Policies

- 1) There will be no cancellation of play unless the course is deemed unplayable by the host club. If the host club is agreeable, play may be delayed until later in the day.
- 2) Entry fee, less a \$20 service and processing fee, will be refunded regardless of cancellation reason if the WMGA is notified by phone (914-592-7888) or by email to the tournament manager (tournamentmanager@wmga.com) prior to the final entry date. Requests for refunds after the final entry date and prior to release of pairings will only be accepted in writing (via email) and the amount of the refund, if any, may be reduced by any tournament costs, including caddie and/or cart fees. There will be no refunds after pairings are released.
- 3) If a player/team needs to cancel on the day of play, please email the tournament manager directly as soon as possible at tournamentmanager@wmga.com.
- 4) The WMGA reserves the right to cancel any tournament for lack of sufficient participation.

Handicap Eligibility

- 1) Handicap limits will be calculated 10 days prior to the first day of competition as follows:
 - a) Class "A" Tournaments – USGA Handicap Index maximum of 14.0.
 - b) Class "B" Tournaments – USGA Handicap Index minimum of 14.1.

- 2) A player may only enter a tournament for which her USGA Handicap Index makes her eligible. EXCEPTION: Players in the Myra D. Paterson must fulfill USGA Handicap Index requirements as of November 15th of the previous year and two weeks prior to the event.
- 3) If a subsequent handicap revision would make her ineligible for an event other than those noted in the preceding EXCEPTION, the player will not be required to withdraw. In any Championship, the player will be required to use the maximum allowable Index or her current Index, whichever is lower. If the player's Index is lower than the minimum allowed for entry, she will not be eligible for a gross prize.

Tournament Rules

- 1) All play will be governed by USGA Rules, any Local Rules posted, and any Conditions of the Competition established.
- 2) All players may use a golf cart if offered by the host club. The rules regarding the use of caddies will be determined by the host club and will be posted in the Notice to Players. A player will be responsible for any cart and/or caddie fees that may be incurred. A player **MAY NOT** bring her own caddie or carry her own golf bag. Pull carts may be used at the discretion of the host club. Caddies will be assigned by the caddie manager. A player may not have the same caddie twice or request a specific caddie except for the finalists on the final day of the Match Play Championships.
- 3) A player or team who has been assigned a starting time must be present at that time and fully intend to complete the round. Withdrawal for reasons other than personal illness or family emergency within 24 hours of that assigned time, failure to submit a tournament score, or failure to play the second day of a two-day tournament may result in disciplinary action, including suspension of the player or team from all WMGA events (Team Matches included) at the discretion of the Competitions Committee. Further, regardless of the reason for withdrawal, the player or team will be responsible for all fees, including caddie fees, incurred by the WMGA.
- 4) All competitors and spectators must abide by the WMGA Dress Code, Code of Conduct, and Electronic Communication Devices policies.
- 5) Proper golf attire must be worn at all WMGA events. Players must adhere to the **dress code regulations** of the host club. Players should review the Notice to Players or host club website for guest information. Members whose dress is deemed inappropriate by the host club or WMGA may be denied participation in the tournament.

- 6) All penalties will be assessed in accordance with the USGA 2023 Rules of Golf.
- 7) Electronic communication devices MUST be turned off. They may not be used anywhere on club grounds, except in a player's car. If the club policy is more restrictive, all players and spectators MUST comply.
EXCEPTION: When electronic communication devices are permitted on the golf course, players may use electronic communication devices in case of an emergency or in accordance with Rule 4.3. Violation of this policy may result in disciplinary action.
- 8) The Competitions Committee reserves the right to modify any of the rules in this book governing tournaments.
- 9) The Competitions Committee will post all Stroke Play scores to a player's USGA GHIN in accordance with our posting memo. All players must return their score card after each round even if reported as DNF or No Card.

Match Play "A" Championship

- 1) The defending champion will be exempt from qualifying. If she elects to exercise this exemption, she must notify the office prior to the final entry date for the "A" Championship. If, however, she elects to compete for the medalist prize, she must forfeit her automatic qualification and qualify on the same basis as all other competitors.
- 2) If the defending champion exercises her exemption described in #1, the fifteen lowest scores in the qualifying round will comprise the balance of the "A" Championship Flight; otherwise, the players posting the sixteen lowest scores will comprise the "A" Championship Flight.
- 3) Duplicate prizes will be awarded in the event of a tie for medalist. Only the medalist may be awarded more than one prize.
- 4) All matches will be eighteen holes. All ties will be decided by an immediate hole-by-hole playoff. The first and second rounds of the "A" Championship Flight will be played on the first day of match play.
- 5) Players may utilize motorized transportation during a round.
- 6) If the host club requires caddies in addition to carts, caddies will be assigned by the caddie manager. A player may not have the same caddie twice or request a specific caddie except for the finalists on the final day.
- 7) The Competitions Committee reserves the right to modify these rules and/or format.

Match Play “B” Championship

- 1) The defending champion will be exempt from qualifying. If she elects to exercise this exemption, she must notify the office prior to the final entry date for the “B” Championship. If, however, she elects to compete for the medalist prize, she must forfeit her automatic qualification and qualify on the same basis as all other competitors.
- 2) If the defending champion exercises her exemption described in #1, the fifteen lowest scores in the qualifying round will comprise the balance of the “B” Championship; otherwise, the players posting the sixteen lowest scores will comprise the “B” Championship Flight.
- 3) Duplicate prizes will be awarded in the event of a tie for medalist. Only the medalist may be awarded more than one prize.
- 4) All matches will be eighteen holes. All ties will be decided by an immediate hole-by-hole playoff. The first and second rounds of the Championship will be played on the first day of match play.
- 5) Players may utilize motorized transportation during a round.
- 6) If the host club requires caddies in addition to carts, caddies will be assigned by the caddie manager. A player may not have the same caddie twice or request a specific caddie except for the finalists on the final day.

Stroke Play Championships

- 1) Class “A” and “B” tournaments are an aggregate of two rounds of eighteen holes played on consecutive days.

- 3) Players may utilize motorized transportation during a round.
- 4) If the host club requires caddies in addition to carts, caddies will be assigned by the caddie manager. A player may not have the same caddie twice or request a specific caddie.

Family Championships

- 1) All players/teams, including those who are not members of the WMGA, must provide a current GHIN number or play to scratch.
- 2) The family member who is not a member of the WMGA does not have to be the same handicap “class” as the member.
- 3) All competitions for Family Championships will be Pinehurst format.

Junior Tournaments

- 1) Junior Tournaments are open to any girl who has not reached her 19th birthday by midnight of the last day of the event.

- 2) All entry fees for Junior Tournaments include continental breakfast when applicable, lunch, prizes, tipping, and range balls for the competitor only. A Junior must carry her own clubs or use a non-motorized pull cart. If a host golf club does not allow the use of non-motorized pull carts, the WMGA will abide by that rule and the junior must carry her own clubs. The WMGA will not provide pull carts; the use of one comes at a player's own expense.
- 3) A Junior Member or Junior Independent Member may be permitted to play in other WMGA events provided she meets the USGA Handicap Index requirement of the tournament and complies with the caddie or cart requirement prescribed for that tournament. All Junior Member entries to non-Junior Tournaments are subject to review by the WMGA Junior Girls' Chair, or Tournament Manager, who will take into consideration the Junior Member's pace of play, playing capability, knowledge of the USGA 2023 Rules of Golf and awareness of golf etiquette.
- 4) The WMGA Junior Girls' Open Championship and the Maureen Orcutt Trophy Tournament are open to a non-WMGA member who meets the following criteria:
 - a) Must not have reached her 19th birthday by midnight of the last day of the event.
 - b) Must be a resident of the Metropolitan area (Connecticut, New Jersey, or New York, within a 60-mile of New York City limits, or anywhere on Long Island).
- 5) All competitors and spectators must abide by the WMGA Dress Code, Code of Conduct and Electronic Communication Devices policies.

IV. INTERDISTRICT TEAM COMPETITIONS

- 1) The Golf Illustrated and the Myra D. Paterson competitions will be matches among teams of ten players and one alternate from each of the three WMGA districts. The Golf Illustrated team will be chosen by the Team Captains from among the members with USGA Handicap Index maximum of 14.0 from within their districts. The Myra D. Paterson team will be chosen by the Team Captains from among the members with USGA Handicap Index minimum of 14.1 from within their districts. Handicaps are determined as of November 15, 2022, and two weeks prior to day of the competitions.
- 2) Team Captains are selected by the Team Competitions Chair and voted on by the Board for a three-year term, with an option to be appointed for an additional term after at least a one year absence as Team Captain.
- 3) In assembling a team, Captains are limited to the selection of one Independent Member and one Junior Independent Member. The Independent Member's district is determined by her established residence. For players residing in Manhattan, her district is selected during the membership application process.
- 4) The tournament site will rotate annually among the districts.
- 5) The Team Captains will select the teams and determine the positions of the players.
- 6) A player belonging to two Member Clubs may only represent the district in which she played during Interclub Team Matches.
- 7) The Team Captains will submit their line-up one half hour before the start of play to the Tournament Manager, who will then post the line-up.
- 8) The format will be a Three-Ball Match Play competition with Nassau scoring. Matches will be eighteen holes, scoring one point for the first nine holes, one point for the second nine holes and one point for the eighteen holes. In the event of a tie for any point, each player will receive one half point.
- 9) The team winning the most points will be declared the winner and will have its name and the date of competition engraved on the trophy. The captain of the winning team is responsible for the engraving and safekeeping of the trophy until the matches are played the following year.
- 10) In case of a tie for either competition, the tied teams will have their names engraved on the trophy and each Team Captain is responsible for the trophy for a proportionate part of the year.

V. INTERCITY TEAM MATCHES

- 1) The Griscom Cup and Junior Intercity competitions will be Three-Ball Match Play competitions among teams of nine players (six for Junior Intercity) from Mass Golf, Women's Metropolitan Golf Association, and the Women's Golf Association of Philadelphia.
- 2) The three Associations jointly will prescribe the rules for the competitions.
- 3) The Team Competitions Chair is responsible for assembling the Griscom Cup Team. The Team Competitions Chair will select the whole roster. The team will be presented to the WMGA Board for approval.
- 4) For the Griscom Cup competition, Independent Members are eligible for consideration. There is no restriction as to the number of Independent or Junior Independent Members who may be invited to join the Griscom Cup team.
- 5) The Junior Chairman will recommend the six players for the Junior Intercity team, subject to approval by the WMGA Board.

VI. INTERCLUB TEAM MATCHES

General

- 1) The Team Matches Committee will consist of one board member, who will serve as Team Matches Chair, and one board member from each of the three districts, who will serve as District Captains.
- 2) Rules and schedules for team match play will be formulated by the Team Matches Committee, subject to the approval of the WMGA Board.
- 3) A team will consist of five players and alternates, and a Member Club may enter no more than three teams.
- 4) A series will consist of six teams and there will be no limit to the number of series. Any vacancies in a series occurring prior to the completion of the schedule for the current year will be filled by moving up teams in the order of their standings at the end of the previous year. The last series must have a minimum of four teams, but no more than six. If the number of teams in the last series warrants, one or two "combined teams" may be formed in order to have at least four teams in the last series. Players interested in being part of a combined team should contact their District Captain.
- 5) Five matches will be played on successive Tuesdays and Thursdays commencing at the end of April or in the beginning of May. Such dates will be determined by the Team Matches Committee with WMGA Board approval.
- 6) The Team Matches Committee will ensure that every effort is made to not:

- a) schedule matches at the club of the team that is in first position in its series, nor
- b) require the team that is in first position in its series to play any other team on its home course.

These standards do not apply to a series with fewer than six teams. However, if two teams from the same club are in the same series, they may play each other on their home course.

- 7) Upon conclusion of the five Interclub Team Matches, the team in first place in its series after five matches will automatically advance to the last position in the series above. The team in sixth place in its series after five matches will automatically drop down to the first position in the series below. This will be the pre-season order of team standings used at the start of the following season. All ties for series positions will be resolved according to the methodology described in "Ties for Series Position" on page .
- 8) The winner of the first series in each district will compete in the Interdistrict Playoff. The team winning the most points becomes the Champion team, and its club will hold the Founders Trophy for one year.
- 9) At the discretion of the WMGA Board, a team or player may be disqualified for refusal to comply with the Rules of Team Matches or with decisions of the Team Matches Committee.
- 10) Proper golf attire must be worn at all WMGA events. Players must adhere to the dress code regulations of the host club. Players should review the Notice to Players or host club website for guest information. Members whose dress is deemed inappropriate by the host club or WMGA may be denied participation in the match.
- 11) In the event that a team wishes to protest a ruling of the Team Matches Committee, the protest must be made in writing (via email) to the Chairman of the Team Match Committee within one week of the ruling.
- 12) The WMGA Team Matches Committee reserves the right to modify any of the rules or penalties in this book governing Team Matches.

Procedure for Entering Returning Teams

- 1) A Member Club must have stated in writing (via email) its intentions to enter a returning team, a returning second team, or returning third team to the WMGA no later than September 9, 2022. A returning team must have a minimum of five players.
- 2) A Member Club must submit its Final Team Entry Form (FTEF) by February 10, 2023. It shall be the responsibility of the Met Rep and Team Captain to verify their players are listed on the FTEF in ascending order of their USGA Handicap Index as of the previous season's final revision date. The order of players with the same

USGA Handicap Index will be listed at the discretion of the Team Captain. After this date, any additions or changes to the FTEF must meet the requirements listed in “Eligibility Rules for Teams and Players” on page , #2 d, and e, and be submitted in writing (via email) to the District Captain before April 1, 2023.

Procedure for Entering a New Team

- 1) A Member Club must have submitted a New Team Registration Form (NTRF) stating its intentions to enter a new team, second team, or third team to the WMGA office (teammatches@wmga.com) no later than September 9, 2022. The NTRF can be found on wmga.com. Each new team will be automatically placed on the waiting list based on the order of when the WMGA office receives the NTRF email.
 - a) A Member Club entering a new team must list a minimum of seven players.
 - b) A Member Club entering two teams must list a minimum of fourteen players. The first five players on the FTEF may only play on the First Team.
 - c) A Member Club entering three teams must list a minimum of thirty players. The first ten players on the FTEF may not play for the Third Team.
 - d) A Member Club must submit its FTEF by February 10, 2023.
- 2) If there is an opening in the last series prior to September 9, 2022, the first team on the waiting list will automatically be added to that series.
- 3) The first team on the waitlist and a Member Club that submits an NTRF will be added to the last series, if and when there is an opening.

Eligibility Rules for Teams and Players

- 1) A Member Club entering a team must be prepared to:
 - a) Grant one of the scheduled team match days for the team it has entered.
 - b) Grant one Tuesday and one Thursday if it has entered two teams; and three days (at least one Tuesday and one Thursday) if it has entered three teams.
 - c) Approve a time of 8:30 A.M. for the start of matches on its scheduled day(s).
 - d) Grant a separate starting time for each two-ball match.
 - e) Pay Member Club dues of \$200 annually, prior to April 1, 2023.
- 2) The following members are eligible to compete in team matches:
 - a) Current WMGA members (aged 18 and above) who renew their memberships by December 1, 2022.
 - b) New members (aged 18 and above) to the WMGA who pay membership dues by December 1, 2022.

 - e) Inactive WMGA members who are reinstated to Membership by April 1, 2023.

Rules for Team Matches

General

- 1) Matches will be eighteen holes with Nassau scoring; scoring one point for the first nine holes, one point for the second nine holes, and one point for the eighteen holes. In the event of a tie for any point, each player will receive one half point. All matches will be singles matches.
- 2) USGA Rules will govern all play. Approved Local Rules may apply and will be posted. Players should not delay play when uncertain about a ruling. If players do not agree or have doubt about how the Rules apply either player may request a ruling under 20.1b(2). Each District will have a District Captain who reports to the Interclub Team Matches Chair. The District Captain will appoint a Series Captain for each Series. Each team will appoint a Team Captain. Detailed information for Team Captains and Series Captains, including their responsibilities, can be found on the WMGA website (wmga.com).

- 3) All players should be familiar with the WMGA Rules for Team Matches.

Day of Play

- 4) With the exception of the Inter-District Playoff, spectators are not permitted at Team Matches.
- 5) Players must play in the order in which they were listed on the FTEF as provided in "Procedure for Entering Returning Teams or a New Team" on page . Each player who plays in a wrong position based on the makeup of the team on that day will forfeit three points to the opposing team.
- 6) A team should be fully assembled and ready to tee off at its scheduled starting time. Each player must be present and ready to tee off at her scheduled time, with the intent to complete the match. If a player arrives, ready to play, with the intent to complete the match, within 5 minutes after her scheduled starting time, she loses the first hole and the match will continue on the second hole. No one should tee off within this five-minute period. If a player arrives later than 5 minutes after her original starting time or is not ready to play within 5 minutes of her original starting time, she is disqualified, and her team must default to the last match scheduled. Telephone calls to the match site do not excuse a player from this rule.
- 7) In the event a player is disqualified prior to the start of her match, all players on the opposing team who have not yet teed off will shift down one tee time, with the final (now unopposed) player winning by default. In order to win by default, an unopposed player must be ready to play on time; otherwise, neither side wins any points in that match.
- 8) In the event a player is disqualified prior to the start of her match, her team is considered to be playing short because it is competing with less than five players.
- 9) If a player withdraws from a match before its completion, any points she has won will be credited to her and any remaining points will go to her opponent.
- 10) If a club has two or three teams, the first 10 or 15 players must play in order and on the correct team. If the first team plays short for any reason other than a situation that is approved before or after the match by the Team Match Committee, the second team will be considered to have played out of order and will forfeit all points won. This principle applies to the third team if that club has three teams. Also, if playing short occurs with the second team that has a third team, the same situation exists and the third team is deemed to have played out of order and will forfeit all points won.

- 11) There will be no agreement to discontinue play and split unearned points. Players who do so will be subject to disqualification for a period to be determined by the Team Match Committee.
- 12) Subject to the rules of the host club, a player may use a golf cart. In addition, and if required by the host club, a caddie must also be taken and will be assigned by the caddie manager, if a caddie is available. A player may be responsible for both cart and caddie fees at the discretion of the host club. Players may not walk and carry their own bags or use push carts.
- 13) The WMGA Pace of Play Policy leaves the responsibility of maintaining the pace of play with the player. If the player is in the first group in the field, she needs to play without undue delay. If the player is in the following group, she needs to keep up with the group in front of her. Violation of this policy may result in disciplinary action against the player's team.

Day of Play - Sanctions and Penalties for Regular and Rescheduled Team Matches

- 14) Five players shall constitute a team in all matches. A team is considered to be "playing short" if the team competes with less than five players.
 - a) A team that is playing short must field its players starting from the #1 position.
 - b) As a courtesy only, in the event that a team (A) knows prior to the day of the match that they will be unable to field a full team, they may concede the missing player's(s') match(es) by 8 PM the evening prior by contacting the Team Captain of the opposing team (B) with a telephone call or text and a follow-up email copying both the Series Captain and District Captain. A telephone call alone will not suffice as all parties need to be notified in writing (via email), since once a match is conceded, the concession cannot be rescinded. The Team Captain of the opposing team (B) who is notified should copy all recipients on the defaulting email acknowledging receipt.

Note 1: If a match has been conceded and then it is rescheduled, the concession is irrevocable.

Note 2: If a match has been conceded, the team playing short will lose the defaulted points.

Note 3: In the event of a concession or forfeit of a match by a team, such team playing short should draw a dash on the line next to the position conceded. The opposing team that wins a match by concession or forfeit writes "unopposed." If a club has two teams participating in Team Matches and player 4 and/or 5 on the first team wins by concession, they cannot move down to

play on the second team. The same applies to a club with three teams; players 6-10 may not move down to play on the third team.

Note 4: Additional WMGA members may be invited to play the unopposed spots. These player(s) can play at the end of their team's remaining scheduled matches. Additionally, a team that has a bye may, by coordinating with the Series Captain and host club, send players to play the available tee times.

- 15) A team unable to field any players or only one player for a match will be disqualified from competing during the remainder of the current season and will be placed at the bottom of the last series behind any waiting team from the previous year. The team will forfeit all previously won points and each opposing team in the series will receive fifteen points.
- 16) A team playing short for the majority of its matches will be given an official warning. At the end of the season, if the team is deemed to have played short in the majority of its matches for a consecutive year, it will be placed at the bottom of the last series behind any waiting team(s) from the previous year.

Withdrawal of Team

- 17) If a team withdraws after the completion of scheduling or during the matches, each opposing team in the series will receive fifteen points; earned points will be forfeited. The team that withdraws will be placed at the bottom of the last series behind any waiting team(s) from the previous year.
- 18) A team withdrawing before or during team matches for two consecutive years will be prohibited from entering a team for the following year. It may then enter as a new team at the bottom of the last series, behind any waiting team(s) from the previous year.

Delay or Cancellation of Play

- 19) Bad weather is not in itself a good reason for discontinuing play. There will be no cancellation of play unless the course is deemed unplayable by the host club. If the host club is agreeable, play may be delayed until later in the day.
- 20) When a course is deemed unplayable, the Series Captain will arrange with the host club for another day. In the event the host club is unable to grant another day before the Interdistrict Playoff, a neutral course will be obtained.
- 21) If a player arrives at the site with the intent to play, but the course is deemed unsuitable for carts, the following will apply:
 - a) If enough caddies are available for all players the matches will take place. Any player who is unable or unwilling to walk must

concede her match. However, her team does not move up its players.

- b) If there are no caddies available prior to the start of the match and the course is open, the matches will be rescheduled.
 - c) If there are not enough caddies for all players but enough for either the first two teams or the first four teams, those matches will be played as in a) above. The remaining matches will be rescheduled.
- 22) If the course is deemed unplayable before the matches are scheduled to begin and remains unplayable, an incomplete team will not be penalized. If the course is reopened, a team must be ready to play, with the intention of completing the round; otherwise, that team will be penalized in accordance with "Rules for Team Matches" on page .
- 23) If play is suspended after a match has begun, the match will be resumed from where it was discontinued only if resumption occurs on the same day.
- 24) If play is cancelled, those matches that have been completed will count. A match which is won by default or concession is deemed to be a completed match. All others will be rescheduled.
- 25) When a club has two or three teams, if one team completes its matches on a given day and the other team's matches are rescheduled, those players who completed matches are ineligible to compete on the rescheduled team's roster.
- 26) When a club has two or three teams and ALL are rescheduled, a club should treat the eligibility of its players as if the rescheduled matches are being played on the same day (even if they are being played on different days).
- 27) The correct order of play and eligibility for clubs with two teams when one of the regularly scheduled matches is cancelled shall be determined as follows: In the event the first team has a makeup match and the second team has completed its match, the first team will consist of players who have not already competed in this match and whose position on the FTEF is less than the first player on the second team and whose position on the FTEF is greater than the fifth player. For example, at Match 3, second team players #7, 8, 10, 11, and 13 competed. When the first team reschedules their match, they may ask players #1, 2, 3, 4, 5, 6, 14, 15, 16, etc. up to the last player listed on the FTEF. In the event the second team has the makeup match and the first team has completed their match, the second team will consist of players who have not already competed in the match and whose position on the FTEF is greater than the player in the fifth position who competed on the first team. For example, at Match 5, if the first team plays with #1, 2, 4, 5, 6,

then the second team may play with players #7, 8, 9, 10 up to the last person listed on the FTEF.

- 28) For the rescheduling of matches for a club that has three teams the same principles as outlined above apply, but we strongly suggest you contact your District Captain for verification of the correct order of play and player eligibility.

Ties for Series Position

- 29) FOR ALL POSITIONS IN ALL SERIES: if two teams tie for a position in a series, the team winning the most points when those teams played each other will be placed in the higher position in the series for the following year. If two teams tied when they played, or if more than two teams tie for a position in a series, standings for the following year will be determined by comparing the POINT TOTAL of the players in the 5th position for each team. If still tied, the POINT TOTAL of the players in the 4th position for each team will be compared and so on, until the tie is broken.
- 30) In the case of more than two teams tying, ties are to be broken by the Team Matches Committee.

Interdistrict Playoff

Eligibility

The first five listed players must have competed in at least two of the current season's regular matches. All other listed players are eligible, even if they have not played in any regular matches.

Competition

This will be an eighteen hole Three-Ball Match Play competition on a neutral course. The neutral course will be chosen from the three districts on a rotating basis. In the case of a tie for First Place, the teams who are tied will have a sudden death playoff. A starting time for the playoff will be designated by the Team Matches Chair. Each position will play one hole. If a team is ahead after the first hole, it is deemed to be the winner. If the teams are still tied, play will be continued by the entire team, one hole at a time, until the tie is broken.

- 1) Prizes or certificates will be awarded for major tournaments.
